BLAST ROCKS LOS ANGELES HARBOR

Only fate and foresight prevented the explosion of a 10,000-ton tanker in Los Angeles, Calif., harbor from becoming a disaster equal in magnitude to the recent de-

struction at Texas City, Tex. The vessel, loaded with 2,940,000 gallons of gasoline, blew up in a series of three explosions that razed several docks and missed igniting huge petro-

leum storage tanks only because of favorable winds. Photo shows fireboats battling the flames which, with the blasts, caused damages of 10 million dollars

When You and I Were Young - 'The Little Tycoon' Is the Union's Crowning Effort

60 Years Ago July 7, 1887

Turner celebrated the glorious Fourth. Gen. Slocum delivered the address. The band from Ft. Randall was there and discoursed soul-stirring strains. I. W. Martin, formerly of O'Neill, also addressed the gathering. Mr. and Mrs. Finley Lyons, of O'Neill, aided them with their vocal music. The general said there were between 800 and 1,000 people there, and a more orderly crowd he has not seen in many a year. The celebration was under the auspices of the GAR boys and was participated in by the people of Turner, Greeley, Bruch Creek, Cheesha and a good many from Paddock and along the Niobrara. O'Neill celebrants were scattered all over the country, meanwhile, and all report good times where they were.

Tom Campbell, as deputy postmaster at Shamrock, is the right man in the right place. He is accommodating to all. For instance: A blooming young lady timidly but in a very sweet tone of voice inquires, "Is there a letter for me?" Tom gives her a bewitching smile that compensates for the absence of the expected missive, and, although there are only two mails a day, she calls at least five times daily. Hence, we again say, the right man in the right place. An Indian band from Genoa was on the train going east Saturday night, having made a visit to their friends on the Rosebud. G. W. Goodrich has purchased the bus of the Potter house and will run it to and from trains and also have it in readiness for all pleasure parties of the general public. Prof. Gill, late of Clay county, is now tutor of the band here and at Inman.

The new city well purchased recently will throw 160-gallons per minute. The assessed valuation for Holt County for 1937 is \$18,209,870 as compared to \$17,916,915 a year ago. Nearly a carload of federal grasshopper bait has been spread this year by Holt county farmers.

The small son of Mr. and Mrs. Mike Langan, of Meek, swallowed some kerosene Sunday morning and was taken to O'Neill for treatment. A large crowd attended the funeral services for John Crandall held at the IOOF hall at Lynch.

The county clerk has just completed compiling a list of old soldiers in the county, numbering 200 veterans. A team of horses belonging to Adam Martin, of Agee, was killed by lightning Monday night.

There will be a meeting at R. E. Dickson's office Saturday night for the purpose of organizing a gun club. "The Little Tycoon," given at the opera house last Thursday evening, by the musical Union, proved to be the crowning effort of this organization. Many of the Japanese costumes were original and striking. The solo parts without exception were carried in a manner that would do credit to a professional. Among those we wish to mention: Miss Tess O'Sullivan, as "Violet;" G. W. Smith, as "Gen. Knickerbocker;" W. T. Evans, as "Alvin;" and Walter Smith, as "Teddy."

A large crowd from O'Neill attended the celebration at Paddock last Saturday. It is estimated that there were between 600 and 700 people present. The baseball game, between the Michiganders and a pickup team, was won by the Michiganders.

John Oleson, grocery clerk in Mann's store, was injured Tuesday while putting a sack of sugar in a wagon. He fell and struck his head against the pavement, rendering him unconscious. Judge Kinkaid delivered the July 4 oration at Lynch.

25 Years Ago July 13, 1922

Thousands from the Sixth congressional district and many from elsewhere mourned

at the bier of Congressman Moses P. Kinkaid and followed the body from the Knights of Columbus hall where funeral services were held to his last resting place in Prospect Hill cemetery. A cloudy day with squalls of rain forced an 11th hour change in plans. An open-air service had been scheduled. Four nephews were the only immediate relatives in attendance. The congressman died last Thursday in Washington, D. C. An estimate by the heirs and close personal friends fixes the congressman's wealth between 150 and 250 thousand dollars.

The First National bank of Spencer, one of the most prominent financial institutions along the Winner, S. D., railroad line, closed its doors Thursday morning. The bank had a capital stock of \$100,000 and a surplus of \$20,000. Recent statements show the bank borrowed money recently to the amount of nearly a half-million.

O'Neill now has a radio telephone with Harry Clauson the owner. The outfit has a range from coast-to-coast.

Rock Falls township is somewhat worked up over an indication that the township is right in an oil dome with the ranch of Will Grutch in the center of the blame thing. Soil from the Grutch ranch burns freely when lighted with an ordinary match and the flame gives off a very oily odor.

GIRL SCOUT NEWS By Bernadette Hynes The Irish Lassies troop went on a picnic last Thursday west of town by the Elkhorn river. We went swimming, ate lunch, had a meeting and then had a small display of fireworks.

The Scouts appreciated the use of Norbert Uhl's truck and thank Mrs. Uhl for taking us. Matt and Joe's tavern donated a case of pop which we all enjoyed.

We had our physical examination Tuesday. Dr. Finley is our doctor. Mrs. Dean Streeter is organizing Troop II in O'Neill. She especially would like to have other denominations.

We have six new Scouts in Troop I and will have the investiture ceremony some time in August. We are planning an anniversary party in September as we will be organized a year.
