**BOUNDING OVER THE MAIN**

No navigator is Skipper "Dod" Osborne, who will attempt to cross the Atlantic ocean from London in the 13-ton "Lovely Lady." Equipped

with nothing as efficient as modern maps and navigational instruments, the old salt expects to cover 10,000 miles and take at least five years for the

entire journey. This is the second such venture for Osborne. He sailed from England to South America in 1936, also without proper maps or charts.

**ESTATE OIL HEATROLA COSTS LESS TO OWN**

THAN ANY OTHER HEATER IN THE U. S. A.

TURN'S WASTE INTO WARMTH. Only the Heatrola has the famous, patented Intensi-Fire Air Duct. Built right in the path of the flame, it blocks much of the heat... sends it out into the rooms instead of up the flue.

**BIG FUEL SAVINGS.** Big savings on upkeep. Big savings in winter ills and doctor bills. Add them all together, and you can see why it costs so much less to own the best. Come in. See how easily you can have the extra satisfaction, extra comfort, extra economy of an Estate Oil Heatrola.
