

BACKS A PROBLEM FOR SAINDON

Eagles' Mentor Starts Inexperienced Hands at Key Posts

Coach Kelly Saindon, the boss-man in the O'Neill high school Eagles' grid camp, has his problems, too. Right now he'd settle for a couple of experienced hands he could use in the backfield.

Because he can't produce them out of thin air, he's being forced to groom them himself out of green material.

Saindon's only experienced backfield prospects are Bob Matthews, a regular end last year, and Gordon Elkins, who has had some experience in signal-calling. Graduation took a heavy backfield toll and Kelly this week is trying to develop Sullivan, a junior, and Tom Shulman, a soph, in the halfback positions. Both Elkins and Matthews are seniors. Other promising backfield material includes Dick Godel, a junior, and Bill Rikly, a senior.

34 Candidates
Saindon's football class numbers 34 as the second week drilling nears a finish. Gene Wolfe is assisting Saindon with the tutoring.

Line prospects who are not lettermen, include: Ends—Bob Shaw and Don Harmon; tackles—Clayton Layh, Stan Young and Ronald Ressel; guards—Bob Holsclaw, Lewis Pierson and Tom Ressel; center—Allan Porter.

A veteran lineman returning are Dean Van Every, Hermie Osborne, Duane Miller, Ralph Morrow, Bob Erwin and Charles Marsten.

AL SIPES TO COACH CARDS

Former Detroit Prep Footballer Grooms Pupils for Opener

The St. Mary's Cardinals will take to the grid Friday night at 8 p.m. to pry-off the lid of the 1947 football season.

Their six-man ball club, under the guidance of Al Sipes, will tackle a pickup alumni team for an exhibition round under the lights.

Sipes, who played prep football in Detroit, Mich., is pleased with Hilltop prospects even though he has had only three workouts with the 18 candidates for the team. He predicts the team will be built around Jimmy Miles, Pat Hickey and Jim Donohoe in the backfield and Larry Pribil, Tom Hartly, Ray Kriscel, and Bob Koci in the line.

"Prospects are good," Sipes insists, "and there's lots of green material coming up." The alumni team will be made up of Dick Clark, Bill Kelley, Eddie Campbell, Jack Gallagher, James Early, Eddie Condon, John Baker, Jerry Tomjack, John Meriman, Ed Hynes and George Bosn.

CHAMBERS GRABS 2D HALF TITLE

Lynch Downed, 7-1, in Crucial Loop Contest; 'Spiking' Done

LYNCH—Retribution is a fancy word for it. A dose of their own medicine is the man-on-the-street's version. The general idea is the same, however, and the Lynch basebatters know now what it means no matter how you say it.

In a crucial Holt-Boyd league game Saturday at Lynch, a "spiked" Chambers team downed Lynch 7-1, and thereby gained the second-half league championship.

The name Chambers, however, was a misnomer for the crowd that denied Lynch the second-half honors. Only three men wearing the Chambers uniform were Chambers regulars. O'Neill and Clearwater provided the rest and the game was won handily.

The Holt-Boyd league rules were thrown out the window as the second-half race got underway. Until that time, Lynch had been named as the principal offender to the rule of engaging players outside the league.

With the loop policy scattered to the winds, most teams began "spiking." The reinforcements that Chambers called on Saturday for the title show far exceeded any previous "spiking" this season. From O'Neill they engaged a potent battery—Danny Helmer and Ted Tomjack, Left Fielder Dick Tomlinson, Center Fielder Gene Wolfe, and Shortstop Kelly Saindon. From Clearwater they borrowed Third Baseman Delbert Krenzien and Right Fielder Howard Barringer.

The only full-blooded Chambers performers were Harry McKay, at first; Duane Carson and George Otter, who shared the chores at second.

Helmer was nicked for five well-scattered hits and Lynch found the going rough.

All-in-all it was a hard weekend for Lynch. At Bonesteel, S. D., last Friday the Lynchers dropped a 6-0 decision. And Sunday, the day after the Chambers setback, Ainsworth triumphed 10-5.

THE AVERAGE family pays over \$200 a year for medical and hospital. Six out of every 10 hospital patients have some type of an operation.

DON'T CONFUSE this policy with policies issued by other companies covering hospital confinement for only a few days out of each year and which pay the benefits to the hospital and not to you.

THIS POLICY is backed by one of the oldest and best-known companies in the business and all claims are settled through my office.

COME IN or call and I will be glad to show you how little it will cost you for this complete coverage for the entire family.
