"There's one BEST loan for SAFETY of farm or ranch ownership!"

And that's a Co-op Land Bank Loan. You never have to pay the full amount at one time. Payments are based on the normal earning power of your farm or ranch. You can take up to 40 years to pay. But if you want to, farm or ranch income permits. No fees . . . no commissions. Low interest. AND you're doing business with a farmer-rancher owned co-op that has an unequalled record of standing by farmers and ranchers in time of need.
