NAVY LAUNCHES ROCKET

Marking "the beginning of a new era in Naval weapons," the United States Navy fired a captured German V-2 rocket from the flight deck of the 45,000-ton aircraft carrier USS Midway on September 8, 1947. This was the first time in history

such a bombardment rocket has been launched from ships or a moving platform. The primary purpose of the experiment, held at sea several hundred miles off the East Coast of the United

States was to ascertain if large bombardment rockets could be fired off modern aircraft carriers without modifications affecting flight operations. The rocket traveled six miles and exploded.

 The First National bank block is assuming proportions. O'Neill will make a good showing on improvement this year. Every day she puts in more city airs and assumes metropolitan ways.

It is a pleasant duty we are called upon to perform this week in announcing the marriage of one of O'Neill's most popular and highly respected young gentlemen. On last Wednesday, Ed. Kelly, the well-known cashier of the First National bank of this city, was united in marriage to Miss Carrie Young at Saginaw, Mich., and the happy couple arrived in O'Neill Monday evening.

The Stuart Leader is authority for the statement that a man in that vicinity has a field of corn that will yield 1,000 bushels to the acre. Verily, corn is kind in Nebraska. A bright, baby boy was born to Mrs. A. Potter last Wednesday.

50 YEARS AGO
 October 28, 1897
 William Stortz and Miss Ida Hershiser were married Wednesday at the residence of the bride's parents by Judge McCutchan. The Frontier tenders its congratulations and wishes them joy unlimited in their journey through life.

Ewing Advocate: Walt Smith and Jas. Trigg, of O'Neill, have secured the contract for painting the new mill at this place. O'Neill made a fight for the mill to be built at that place, but having lost that they concluded to take second best, and arranged with the management to do the painting. The boys are thoroughly competent workmen and will complete the work with satisfaction to all concerned.

It would be a good idea if some of the lady bicycle riders would be a little more careful when they are out riding. One of them ran into M. M. Sullivan last evening bruising him severely.

25 YEARS AGO

 Babe Ruth and Bob Muesell, members of the New York Yankees, were met by a large delegation of O'Neill baseball fans when they arrived here last night over the Burlington at 11:30 and departed over the C. & N. W. for Deadwood, S. D., where they play ball today.

The community was shocked Tuesday afternoon when it became known that George, two year and eight months old son of Mr. and Mrs. James J. Kelley, had fallen from a

wagon and had been so badly crushed that he died a short time later.
 J. C. Harnish, of O'Neill, was accorded high honors at the state grand meeting of the IOOF at Lincoln last week.

PAGE—Dr. and Mrs. J. E. Bild observed their 42nd wedding anniversary Sunday.

They were honored by a card shower arranged by a business firm. One hundred and two cards were placed in a box of flowers Dr. Bild had ordered for his wife and was a "complete surprise" to both of them when the box was opened.

Dr. Bild brought his wife to Page in 1905 where he was practicing. In 1919 they left Page, locating in Wausa and later in Ireton, Ia. They returned here about three years ago where he has continued his practice since.

NEW OPERATOR NAMED
 AMELIA — Mrs. Leeder, of Creston, is to be the new telephone switchboard operator here. It will be several weeks before she takes charge.

The Public Approves This Kind of Action

The conditions in the state's taverns are decidedly improved over that of several years ago.

Most Nebraska tavern owners, today, keep their places clean and wholesome, and operate in an orderly, acceptable manner. The present-day beer retailer goes out of his way to avoid any practice or condition that may be displeasing to the general public.

Violations of the law such as sales to minors or to intoxicated persons are constantly guarded against, and tavern owners refuse to tolerate noise or boisterous conduct.

These improved conditions are largely the result of the Nebraska Committee's program of self-regulation. This program, now in its 10th year, has been so effective it has won the approval of the public. Its activities will continue with unabated vigor.
