(First pub. April 29, 1948.) NOTICE OF A PROPOSED RESOLUTION OF NECESSITY FOR CONSTRUCTION OF SANITARY SEWER EXTENSIONS

Notice is hereby given that a meeting of the City Council of the City of O'Neill, Nebraska, held on the 27th day of April, 1948, at 7:30 p.m. there was introduced and placed on file, the Resolution of Necessity, hereinafter set forth, which Resolution will be considered for passage by said City Council at a meeting to be held at the regular meeting place of said City Council on the 17th day of May, 1948, at 7:30 p.m., at which time and place owners of property subject to assessment for the cost of the improvements contemplated by said Resolution, may appear and make objections, if any they have, to said work, or to the passage of said Resolution at which time said Resolution may be amended and passed, or passed as proposed, or rejected.

Councilman Rooney offered the following resolution and moved that it be proposed for passage at the regular meeting to be held May 17th, 1948, at 7:30 p.m.

RESOLUTION OF NECESSITY FOR CONSTRUCTION OF SANITARY SEWER EXTENSIONS

BE IT RESOLVED by the Mayor and City Council of the City of O'Neill, Nebraska: 1. That it is deemed advisable and necessary due to the growth of the City and for health and safety to pass this Resolution and to make the following improvements to the present sanitary sewer system in the City of O'Neill, Nebraska.

2. That it is proposed to construct the following extensions to the present sanitary sewer system:

- Second street, Adams St. to John St.
Benton Street, Jefferson St. to Harrison St.
Clay Street, Jefferson St. to Harrison St.
Jefferson Street, Benton St. to one-half block south of Clay St.
Fremont Street, Morton St. to Cleveland St.
Grant Street, 5th St. to 7th St.
Seventh Street, Everett St. to 300 feet North.
Benton Street, 10th St. West to meet existing sewer.

that such construction shall be of vitrified clay pipe or cement concrete pipe of eight inch size.

3. To pay costs of said improvements, the City shall, after such work is completed and accepted, issue its negotiable bonds to be known as sewer bonds. There shall be levied annually upon all the taxable property in said City a tax sufficient to meet payments of interest and principal as the bonds become due and such levy shall be known as the sewer tax and shall be payable annually in money.

4. For the purpose of making partial payments as the work progresses, warrants may be issued by the City Council upon certificates of the Engineer in charge showing the amount of work completed and material purchased and delivered, in the sum not to exceed 85 percent of the cost thereof, which warrants shall be redeemed and paid upon the sale of bonds to be issued aforesaid.

5. All of the above construction is to be done in accordance with the Engineer's plans and specifications therefor, now on file, which plans, specifications and estimate of cost are hereby approved and adopted and by reference made a part hereof.

6. The Engineer's estimate of the costs of such improvements is \$11,000.00. 7. Be it further resolved that the City Council of the City of O'Neill, Nebraska, meet at 7:30 p.m. on the 17th day of May, 1948, at their regular place of meeting for the purpose of considering objections to the passage of this resolution and making of these improvements at which meeting this resolution may be amended and passed, or passed as proposed, or rejected.

8. Be it further resolved, that the City Clerk be and is hereby instructed to cause notice of the pendency of this resolution to be published in the manner provided by law and the time for which said resolution will be considered for passage and objections heard.

F. J. DISHNER, Mayor. Attest: O. D. FRENCH, City Clerk.

After reading the above resolution and discussion, Councilman Corkle seconded the original motion of proposal for adoption of the resolution. Roll call ordered and the vote thereon was as follows: Aye: Rooney, Corkle, DeBacker, Ray and Hickey. Nay: None. Motion carried and Mayor instructed the Clerk to proceed with advertising of Resolution of Necessity on Sewers. 51-52

RAILROAD STRIKE Look who gets squeezed! Union leaders representing less than one-tenth of railroad employes reject recommendations of President's Emergency board—refuse to negotiate except on their own terms—threaten to paralyze nation by strike! THE LEADERS of three railroad unions, representing less than one-tenth of all railroad employes, have called a railroad strike that would paralyze the nation. These leaders refuse to accept a 15 1/2 cents an hour wage increase retroactive to November 1, 1947. This increase was recommended by an impartial Emergency Board appointed by President Truman. This increase of 15 1/2 cents already has been accepted by the 19 other railroad unions. But the Brotherhood of Locomotive Engineers, the Brotherhood of Locomotive Firemen and Enginemen, and the Switchmen's Union of North America won't accept what more than 90% of all railroad employes have accepted. They have called a strike to get more! Unions refuse rules discussion Certain rules changes demanded by these union leaders—which would increase wages still further—were recommended by the Board. But the union leaders want more—they demand that the railroads put into effect ALL the changes they asked for, including those the Board felt should be denied. On top of this, they insist that certain rules changes proposed by the railroads be withdrawn—in spite of the fact that the Board recommended them! These union leaders have refused to negotiate except upon these arbitrary terms. Greater wage increase not justified Engineers and firemen are among the highest paid of all employes in America, as figures in the box show. This strike threat doesn't justify giving a greater increase than other railroad workers received. Emergency Boards are a means provided by the Railway Labor Act in the public interest to avoid strikes. The President's Board

Compare these wages with what you make! Here is a comparison of average annual earnings of engineers and fireman for 1939 (pre-war) and 1947. Also shown is what 1947 earnings would have been if the 15 1/2 cents per hour increase, offered by the railroads and rejected by the union leaders, had been in effect throughout the entire year 1947. Railroad wages computed from Interstate Commerce Commission Statement M-300
