MATCHED CHURCH . . .

Robert Buchignani, of Corona, N. Y., paralyzed from the waist down, spent 5 months building completely furnished miniature church of matchsticks. He didn't count matches.

A Georgia woman, mother of 2 and a former county health nurse, was swept into office as a county commissioner over 11 male opponents on a campaign slogan of: "You kiss the babies. I change their diapers."

Delegates Leave for Presbyterian Parley

STUART — Three delegates from the Stuart Federated church departed Friday for Seattle, Wash., where they are attending the general assembly of the Presbyterian church. The delegates are: Mr. and Mrs. Cal Allyn, of Stuart, and Rev. Orin C. Graff, the church pastor.

The assembly will be in session until Wednesday, June 2. Mr. Allyn is elder commissioner of the Niobrara Presbytery, and Rev. Graff is alternate ministerial commissioner.

The Allyn's plan to visit their son, Ralph, and family, at Grant's Pass, Ore., during the trip.

Visit Forsythes —

CELIA — Ollie Mills came May 18, from Burwell to visit Lex and Paul Forsythe. While here he took out the partition between 2 of the rooms in the Forsythe home, making a large living room. Lex and Paul are 2 of Celia's numerous bachelors, but take a lively interest in their home.

Merle Pease, son of Mr. and Mrs. Walter Pease, of Emmet, spent last week in O'Neill visiting his grandparents, Mr. and Mrs. R. M. Pease.

It's just plain common sense to take your John Deere Farm Equipment to those who service it best . . . your John Deere representative in this community.

We've equipped our shop with the latest precision tools to do the work the way it should be done. Our trained mechanics, with factory "know-how", will give your equipment a thorough going over . . . making all necessary adjustments, replacing worn-out parts with only genuine John Deere Parts, and returning your equipment to you looking and running just like new.

Come in the next time you're in town and let us estimate the cost of your reconditioning requirements. You'll be surprised at the completeness of the work we do at a mighty economical price.

BUY ONLY GENUINE JOHN DEERE PARTS - THEY FIT AND WEAR LIKE THE ORIGINALS!

It's time to get "CHOOSEY"!

The day of "grab-bag" buying is nearly over.

Once again, you'll be able to choose the tractors and other farm machinery you really want, knowing that delivery will not be far off.

We are looking forward to this period with confidence because we know that more and more farmers are going to base their choice on modern design and honest value, and it is in these fundamental advantages that John Deere farm equipment leads the field.

Typical of this leadership is a great new line of John Deere general-purpose tractors—tractors that literally are forerunners of a new age in farm power. Whether you're in the market for a tractor now or later, it will pay you to see them. We'll welcome the opportunity to point out their outstanding features to you.

JOHN DEERE 2-CYLINDER TRACTORS
More Efficient . . . More Dependable . . . More Economical
