The Frontier's Jack and Jill CORNER

**WHISTLER AND DOG-LOVER** . . . This week The Frontier wants you to meet Miss Doreen Kay Hansen and Roy Donald Loy, both of O'Neill.

Doreen Kay is the daughter of Mr. and Mrs. Gerald D. Hansen, who live 21 miles north of O'Neill. At 11 months she stands; but doesn't walk, she has 5 teeth and can say 4 words. She whistles occasionally but never, however, when a tune is desired by her dotting parents. Blue-eyed Doreen Kay was born in Lynch.

Roy Donald Loy, the son of Mr. and Mrs. Donald Loy, was a year old March 4. "Donnie," as he is called, knows how to walk and loves to hide from his parents. His favorite toys are balls, but he prefers to play with the neighbors' dogs. Most of all, Donnie likes to go out with his mother and when he does he nearly always wears his little red cap which he calls his "bye-bye."

Each week The Frontier publishes in the Jack and Jill corner the pictures of 2 or more Holt county under-school-age children. Photographs are requested from parents and all will be returned after use.
