THIS IS THE BUSIEST season of all for the rural housewife—what with all the canning to be done and the feeding of extra-hungry men who are in the harvest fields. Many womenfolk tell us their shopping has been made easier, simpler and quicker with the opening of our big new UNION SUPER MARKET.

YOU'LL FIND all the "makings" for harvest-time meals and everything you need for canning at SHELHAMER'S. Here you'll find only full flavored and garden fresh fruits and vegetables, quality meats and canned goods—all at money-saving prices.
