Nebraska Newspapers, Take a Bow

National Newspaper week affords all of us a welcome opportunity to acknowledge with deep appreciation the valuable services of the press to this state and its citizens.

These men are leaders in their community, well informed, conscious of their responsibilities, and fearless in their presentations. Theirs is a powerful force for good in shaping and supporting those things which are best for the state.

It is significant that Nebraska Publishers cooperate wholeheartedly with the program of the Nebraska Division, U. S. Brewers Foundation. These leaders see this program as the best method for establishing high standards of beer retailing... for improving tavern conditions... for avoiding law violations such as sales to minors or intoxicated persons.

Nebraska newspaper publishers were among the first to recognize that this program speaks for true temperance.
