

Official Proceedings of the Holt County Board of Supervisors

O'Neill, Nebraska
March 29, 1949
10:00 A. M.
Holt County Board of Supervisors met as per adjournment. All members present.
Meeting called to order by the Chairman.
Hugo Holz met with the Board and discussed a Claim he had filed with them. Motion was made by Frickel, seconded by Borg that the County pay Mr. Holz \$15.00 as payment in full for temporarily repairing his fences to keep stock from County and State roads.
The Chairman requested the Bond Committee to check as to

whether Alex Frickel's Bond is on file.
The Committee reported that Mr. Frickel's Bond had been filed and approved.
Motion by Cronk, seconded by Borg that the American Surety Company be notified that Ed J. Matousek's Bond should be terminated as of Feb. 24, 1949 and that they are discharged from liability for him after that date.
12:00 Noon. On motion the Board adjourned until 1:00 P. M.
O'Neill, Nebraska
March 29, 1949
1:00 P. M.

Pupils Hear Temperance Speaker at Ewing
EWING — H. H. Hill, educational director of the Temperance League of Nebraska, visited Ewing high school Wednesday, April 6, and gave a talk on the alcohol problem. Mr. Hill spoke to the following groups during the day: seniors, juniors, sophomores, freshmen and the seventh and eighth grades.

Each group was taken separately and the lecture was combined with a question and answer routine which proved to be interesting and educational.

The pupils in all of the groups showed an alert interest and took part in the discussion.
The swift can fly 100 miles an hour, according to the Encyclopaedia Britannica.

The New '49 PONTIAC

The Most Beautiful Thing on Wheels!

We are, of course, very proud and happy that people everywhere are calling the new Pontiac "the most beautiful thing on wheels." Pontiac is a brilliantly beautiful automobile — as handsome a car as ever rolled over America's streets and highways.

But Pontiac's real beauty cannot be fully appreciated until you drive the car yourself. For the new Pontiac is beautifully engineered, too — to give you a completely different kind of automobile performance that simply must be experienced in order to be believed.

Pontiac for 1949 offers a totally new kind of ride—a ride as smooth and effortless and comfortable as a car can be. And either of Pontiac's famous engines, six- or eight-cylinder, is a sweetheart for power. Remember, too, Pontiac is the lowest-priced car in the world offering the ease of Hydra-Matic Drive. Available on all models at extra cost.

Take a long look at the next new Pontiac you see—then come in and give the car a really thorough examination. That's the way really to appreciate why people are calling Pontiac "the most beautiful thing on wheels."
