*We'll do our best on your Christmas call*

A full staff will be working right through the holidays, doing everything possible to handle the thousands of long distance calls people like to make at Christmas time.

We know from past experience that many of our lines will be loaded to the limit. And we also know that in spite of our very best efforts some calls will be delayed and others may not get through at all.

However, most calls will go through. Here's hoping yours is one that does—with very best wishes for a Merry Christmas from
