

WELCOME TO STUART

Stuart is happy to welcome the many Holt county farmers, ranchers and livestockmen and other interested people to its community for GRASSLAND DAY, February 28. Grassland Day features the year - end

report of the Holt county soil conservation district, the essay contest for Holt county high school boys, the instructive talks and beneficial panel discussions on "Profits from Grass."

We of the Stuart community hope to make all who attend this event good friends of this community and hope that you'll return to see us often!
