STATEMENT from the MANAGEMENT

HERE'S ANOTHER BIG MACHINERY AUCTION in response to your demands and a "repeat" on our big sale that was held on Saturday, November 19, 1949. That sale was a great success and many farmers have asked: "When are you going to have another sale?" This is it! Our sale lot will be jam-packed with NEW and USED MACHINERY of all types and description. It will pay you to drive many miles for this gigantic machinery auction — biggest ever held in North-Central Nebraska or South-Central South Dakota.

- THIS SALE IS NOT an "inventory proposition." Everything advertised WILL BE SOLD as represented just as we said we would do on our big \$50,000 sale last fall.
- O'NEILL IS IDEALLY LOCATED for farmers, ranchers and dealers to drive several hundred miles to look over this equipment and buy at your own price! O'Neill is situated 130 miles west of Sioux City on Federal Highway 20 at the junctions of Highways 20, 275 and 281.
- THIS SALE IS strictly a "clean-up" proposition to enable you to equip for next season's work. It is a sale in response to your demands. We have spent many weeks in getting virtually every item of used machinery and equipment on our lot in condition for this sale . . . ready for spring work. Come, see for yourself, plan to buy at your own figure! — THE MANAGEMENT
