**CLIPPER COMBINE**  
Reel and canvas turn. Mounted on rubber. Complete with hitch for tractor.

The Massey-Harris Clipper gives you greater threshing capacity. Your grain is never crowded or jammed through cylinders and cross screens. There's no bunching or slugging. Straw moves straight through the Clipper in a light, even blanket. More grain is taken from the straw... and it's thoroughly cleaned before it's elevated to the tank.  
Come in next time you're in town and let us tell you more about the Massey-Harris Clipper that handles more than 110 different crops. Make your own comparison.
