Light Vote Cast in Holt County

(Continued from page 1.) of the race in the unicameral

legislature was the only infor-mation available at broadcast time. (See unicameral story on page 1.)

The official canvas of the election is not expected to change the outcome of any of the races. County Clerk Hoffman said there were about 50 applications for absentee balapplications for absence our lots, but when counted these will not be sufficient to change the outcome of any of the contests.

Voting places in O'Neill were in the customary places.

No Contests Except for Supervisor-

BUTTE - Boyd county's voters had little choice in the se-lection of county officers except in several races for county supervisor.

There were 584 Republican ballots cast in the 12 voting precincts and, unofficially, 411 Democratic ballots.
