

Killing Frost Damages Corn

Mercury Dips to 25 Early Wednesday; Corn Soft

A killing frost on 2 successive nights inflicted plenty of damage on the 1950 corn crop in the O'Neill region. Early Tuesday morning the mercury dropped to 29 degrees. Damage wasn't as great as expected—in fact, the cold nip, short-lived as it was, might have helped dry out some of the laggard corn. But early Wednesday's freeze, which saw the temperature slip to 25, was a killer and will be responsible for lots of soft corn.

While 80 percent of the corn in the state was expected to be safe, Holt and Boyd county averages will not be as bright. But, observers say, there will be lots of corn.

Already farmers with soft corn are making plans to specially handle it as feed.

The freeze is expected to cause a loss of yield and quality, and increase the demand for feeder cattle.

The killing frost came about 5 or 6 days ahead of the average date—October 10.

The O'Neill area was fog-bound again last Thursday evening, making driving conditions hazardous.

Showers through the week netted more than an inch of moisture. Summary based on 24 hour periods ending at 6 p. m.:

DRAFT TAKES 2 ON OCTOBER 18

50 Go to Omaha Tuesday for Preinduction Physicals

Two Holt county selective service registrants have been ordered to report for duty on Wednesday, October 18.

They are: Merle L. Foreman, of Emmet, and Lathan O. Rohdes, of Stuart.

The order to furnish 2 for mid-October induction, was smaller than anticipated by Holt draft officials, Mrs. W. H. Hart, chief clerk, explained.

Meanwhile, 50 are to report Tuesday, October 10, for preinduction physical examinations.

While mobilization by draft has been slowed recently, the calling up of reservists and the voluntary enlistments have provided substantial manpower contributions in the new emergency.

Reservists called not heretofore chronicled in The Frontier include:

John Protivinsky, of Sioux Falls, S. D., formerly of O'Neill, will report Thursday, October 5, at Treasure Island, Calif. He is a navy reservist, was twice wounded in World War II.

Leon Wetzler, of Omaha, formerly of O'Neill, a signal corps reservist, reports for army duty on October 17.

BUSINESS BRISK FOR CITY COUNCIL

Grant Gas Franchise, Buy School Traffic Signals

Business was brisk at Tuesday night's meeting of the O'Neill city council.

Here's what happened: The council—

(1.) Granted a franchise to the Kansas-Nebraska Natural Gas company;

(2.) Authorized the purchase of 2 school traffic electric signals to protect O'Neill children;

(3.) Decided to place gravel on some city streets that are not hardsurfaced;

(4.) Adjourned—finally—at 1 a. m.

A representative of the Kansas-Nebraska firm earlier had contacted all the councilmen and at Tuesday's session formally appealed for a franchise. The company plans to extend its gas lines from Grand Island to Fullerton, Albion, Elgin, Neligh, O'Neill and to Atkinson and will include other intermediate points. He told the council they planned to build next year.

Committees from the Chamber of Commerce, Lions club and Parent-Teachers' association were present to urge the council to install automatic traffic signals at the corners of Third and Douglas (Knights of Columbus) and Fifth and Douglas (Lohaus Motor Co.)

These signals would regulate traffic during the morning, noon and afternoon periods when school children are crossing Douglas street.

Gravel of non-hardsurfaced streets where needed was decided upon. Already some of the heavily-traveled streets and mudbound streets have received gravel surfacing.

It was nearing 1 o'clock in the morning when the weary councilmen emerged from their smoke-filled chamber. A machinery salesman tried to sell the city a snowplow but no action was taken.

CARDINALS BURY INDIANS, 39-12

St. Mary's Wins Handily from Dakotans in Fogbound Park

A peaspout fog enveloped Carney park Friday evening. The elements didn't deter the rebounding St. Mary's academy Cardinals, but the fog never lifted as far as the visiting Marty Mission Indians were concerned.

St. Mary's downed the Wagner, S. D., academy, 39-12.

Marty received, lost the ball on downs and St. Mary's scored quickly. Backs John Joe Uhl and Don Donohoe and Linemen Jerry Wanser and Jack Carney got into the scoring column.

Rev. A. J. Onak and Shorty Miles ran the team in the absence of Coach Jack Arbuthnot, who was laid up from participation in scrimmage.

The Indians showed occasional flashes of good football but lacked the fire. St. Mary's was smarting under the Lincoln Cathedral reversal handed out a week earlier.

The Saturday morning "Voice of The Frontier" program aired 7 minutes of play-by-play description recorded by George Hammond.

O'Neill high Eagles were to have engaged Greeley high school in a practice game Friday, but due to the wet field and bad road conditions the rehearsals were called off. Both clubs had open dates.

KLINGLERS ARE MARRIED 50 YEARS

O'Neill Man, Wife Were Born 14 Miles Apart in Iowa

Mr. and Mrs. Albert Klingler quietly observed their golden wedding on Saturday, September 30.

They received scores of congratulatory messages and a number of personal visitors in their comfortable little home in the southwest residential section of O'Neill, and at noon were feted with a family dinner at the home of their son, Melvin.

The golden anniversary celebration was unlike the 40th anniversary affair when the Klinglers lived on a farm 6 miles north of Emmat. Scores of neighbors gathered, brought food and gifts and a houseful stayed for the night.

It was shortly after that the Klinglers decided to retire and moved to a new home in O'Neill—getting settled February 22, 1941.

Mr. Klingler, who will be 80-years-old on October 20, was born at Donaldson, Lee county, Iowa. Mrs. Klingler, who is 68, was born at Cottonwood, Ia., only 14 miles away.

The Klinglers were married at Cottonwood on September 20, 1900. It was a high noon lawn wedding at the home of the bride's mother, Mrs. Mary Pichard. Mr. Pichard had died several years before.

They farmed on a small Iowa acreage for several years and in December, 1910, moved to Holt county. Object of the move was to seek a higher altitude for a member of their family.

The Klinglers enjoy "fairly good health". Mrs. Klingler does her own housekeeping and Mr. Klingler tends a large well-kept yard, enjoys caring for bees which he keeps in the backyard.

Together they keep a garden in the summer and look after a towering willow tree which they have watched grow during the past 10 years. Mr. Klingler's chief hobby is fishing. He'd rather do less lawn work and less beekeeping in favor of more and more fishing. Day before his golden wedding celebration he walked down to the Elkhorn river and "caught a nice batch of fish".

The Klinglers have 2 sons—Herman and Melvin—both living in O'Neill.

14th Annual Calf Show-Sale Planned

The 14th annual Holt county 4-H calf show and commercial stocker-feeder calf sale will be held Wednesday, October 11, at O'Neill Livestock Market. The 4-H members are making plans to show and sell their calves at this time. Ranchers are selecting top quality calves to show and sell for club purposes. The show is to get underway at 9:30 a. m. with the sale at 1:30 p. m.

This is the highlight of the year and Sale Managers Lyle Dierks and Neil Dawes feel that it will be the largest and best stocker-feeder show. All the premiums and ribbons are being given by the O'Neill Chamber of Commerce, sponsors of the show and sale.

Dawes states that he is getting reports from last year's buyers and that the calves are doing "very well" in shows in the neighboring states.

Cattle will be judged in the pens as singles or pens of 5.

Farmer Loses Life in Crash

MAN SUFFERS 2 BROKEN LEGS

George Garhart, 55, Hurt in Unusual Accident in Rail Yards

George Garhart, 55, O'Neill laborer, submitted to surgery early Wednesday in Methodist hospital at Sioux City. He suffered 2 broken legs in an unusual accident in the O'Neill railroad yards on Thursday, September 28.

Garhart had finished helping unload a carload of coal for the Moore-Noble Lbr. & Coal company and had returned to the car to gather up his tools.

He said that the empty car started to roll, collided with another car downtrack and the impact loosened steel trap doors in the car in which he was riding. The doors struck him in the legs, breaking 1 leg in 2 places and the other in 1 place—below the knees.

He was treated by local physicians and taken to a Sioux City hospital in a Biglin Bros. ambulance. No surgery was attempted until Wednesday morning.

Garhart, who is married and has a grown family, resides in the northeast section of the city. He has been unloading freight for a number of years.

Herman Becker, 33, Killed on Highway Near Niobrara

Herman Becker, a 33-year-old O'Neill farmer who had lived in Holt county only a few months, was instantly killed about 7:45 p. m. Saturday when struck by a car driven by Norris McColly, 17, of Niobrara. The accident occurred 1 1/2 miles east of Niobrara on highway 12.

No charges will be filed against McColly, it was announced Sunday by W. Keith Peterson, Knox county attorney, following a coroner's jury.

Becker was crushed to death between the rear of a parked truck and the car driven by young McColly. McColly suffered a scalp injury and shock.

Charles Gilkinson, 27, of Middlebranch, and Becker were driving from the west toward Niobrara when the endgate on the gravel truck dropped open, spilling out some bridge planks.

They stopped the truck and were lifting the planks back into the truck when McColly approached them. McColly apparently didn't see the parked truck in time to avoid the crash. McColly was said to have been blinded by lights of an approaching truck. It also was reported there were no flares about the parked truck.

Gilkinson and Becker both saw the car approaching and the former moved clear of the road. Gilkinson believes Becker thought the car would pass and stepped behind the truck where he was struck as the automobile rammed head-on against the rear of the truck.

McColly's 1937 car was demolished and a bridge plank driven through the windshield and out the rear window. Another plank was driven through the side of the car.

Becker, a native of Crofton, operated a tavern at Center for several months.

Funeral services were held Tuesday at Sacred Heart Catholic church at Wynot with Rev. Adrian Van Veen officiating. Becker was a member of St. Patrick's parish at O'Neill. He was residing on the Max Berger farm near Opportunity.

Survivors include: Widow and 2 children.
