'Womanless Wedding' Helps Raise Funds

STUART—On Monday night, October 30, the Stuart volunteer fire department approved the purchase of a Monaghan portable respirator.

The respirator can be operated manually or by a 12-volt battery or 110-volt AC current and is recommended by the Children's memorial hospital in Omaha and the Omaha fire department rescue squad.

Since the cost of the respirator was more than the iron lung fund collected in a drive extending over several years, the fire department sponsored a benefit show on Thursday night, November 2, at the city auditorium to raise funds.

The talent was furnished by the ladies of Midway club, who presented "Don't Tell a Soul" and their husbands, who presented "Womanless Wedding."

The group presented the show on October 20 in Newport to raise money for the school and club. Leslie Sweet, who teaches in district 136, was the director.

A dance followed the performance.
