

Lyric Soprano in Senior Recital

Miss Kathleen Flood, daughter of Mr. and Mrs. Edward N. Flood, of O'Neill, senior voice student at St. Mary college, Xavier, Kans., presented her senior recital Sunday evening, April 29, in the Xavier auditorium.

Miss Flood is a lyric soprano. Miss Mary Alice Passman, of Topeka, Kans., piano major at the college, was her accompanist.

During her 4 years at St. Mary, Miss Flood has been featured in numerous programs as soloist with the St. Mary orchestra, the chorus, and the chapel choir. Last year the department of music presented Miss Flood in her junior recital. In her freshman year, Miss Flood was soloist in the St. Mary spring festival at the music hall, Kansas City, Mo., and she had the leading role of "Hansel" in the 1951 spring festival. Recently, over the KCMO (Kansas City, Mo.) college and university pro-

gram, "Mid-America Sings," she was featured as a soloist in the "Ave Maria," by Vittoria, and "Romany Life," by Herbert.

O'Neill Mother 'Plays-Out' Before Her 4 Children Are Off to Their Beds

By BLANCHE SPANN PEASE

Once again it's May and the sun will soon be glinting on the leaves of the cotton wood, while the May winds make the leaves whisper and our thoughts turn to planting gladioli.

Be sure you plant them in soil that has been dug deeply and well pulverized. I like to make 3 or 4 plantings, 2 weeks apart, so that I can have a succession of bloom.

Don't plant gladioli in the same spot 2 years in succession and keep them in away from shade and root systems of shrubs for best results. It's a good idea to soak home cured bulbs in bichloride of mercury solution just before planting to destroy the eggs of thrips. Or you can use a lysol solution, directions come on the package, I think. For the bichloride of mercury, use a 7 grain tablet to a pint of water.

and roll in wax paper. Let set overnight in a cool place. Slice and bake in moderate oven of 350 F. until brown.

DATE ROLL

One pound dates chopped, 1 pound nuts chopped, 1 pound marshmallows cut up fine 1, No. 2 can of crushed pineapple (drained), 1 pound graham crackers rolled fine. Mix all together and put in loaf. Now roll 4 or 5 graham crackers fine and roll over outside, then put it in the ice box and it is ready to serve any time with whipped cream or a hard sauce as follows.

One pint boiling water, 1 cup sugar, 1/2 cup butter, 2 tablespoons flour, 1/2 teaspoon nutmeg, Melt butter, blend in flour, then sugar, add boiling water slowly and cook in double boiler, stir until mixture thickens and remove from fire and add nutmeg and let cool.

The date roll will keep 3 weeks or better in the ice box in a food saver bag. It's very rich so a little goes a long way.

Newsprint Problem Hits TFW Too—

From now on, due to lack of space, we will use only one subscription winning letter. Newsprint is becoming increasingly harder to get, according to The Frontier editor, Cal Stewart, and limiting the department to a single letter is a conservation measure.

Today's 3-months' subscription goes to Mrs. Frank Fritton, of O'Neill.

Dear Blanche Pease: I do so enjoy reading The Frontier Woman and trying all the new recipes. We find very few that don't satisfy our tastes.

I have 4 children who keep me busy during the day. So I try to do my letter writing and thinking after they go to bed, but sometimes I "play-out" before they do and I am ready for bed, too!

My family does enjoy these 2 recipes so I do hope a lot of the readers do too.

OVERNIGHT COOKIES

Two cups brown sugar, 1 cup butter or other shortening, 2 eggs, 1 teaspoon soda, 1/2 teaspoon salt, 1 teaspoon vanilla, 4 cups flour, 1 cup nuts (chopped). Sift flour and soda together and sift 3 or 4 times. Cream the sugar and butter together and until smooth, then add beaten eggs and vanilla and salt and beat again.

Then add the sifted flour and nuts and stir up. Put on floured board and shape into loaves 2 inches thick
