Susie B. Fuller Burial at Stuart

STUART—Mrs. Susie B. Fuller, 82, died late Tuesday afternoon, May 1. She apparently lay down to rest and was dead when her daughter, Mrs. Noma Hall, called her for supper.

Susie A. Baxter, the eldest daughter of Thomas and Sonoma Baxter, was born near Thurman, Ia., October 29, 1868.

In 1883, at the age of 15, she came with her parents to Nebraska, where they settled on a homestead north of Newport.

On December 25, 1888, she was united in marriage with Montgomery Fuller, of Newport. Six children were born to this union.

In 1907 the family moved from Newport to a farm southwest of Stuart. After Mr. Fuller's death in 1941, Mrs. Fuller moved to Stuart where she made her home with her daughter, Mrs. Noma Hall.

Survivors include: Son—Floyd, of Stuart; daughters—Mrs. Noma Hall, of Stuart; Mrs. F. O. (Ruth) Johnson, of Winner, S. D.; Mrs. Keith (Mary) Armstrong, of Dawson, Ia.; 5 grandchildren; brothers—William Baxter and L. C. Baxter, both of Ainsworth.

Two children, Royal and Mary, preceded her in death.

Funeral services were held on Friday, May 4, at the Community church with Rev. Orin Graff officiating and burial was in the Stuart cemetery.

Pailbearers were Dwaine Lockman, Fred Tasler, Lloyd Thurman, Jcy Greenfield, Fred Moon and John Hirsch.

Other Stuart News

Miss Marvel Jean Johnson, who has been employed in Omaha, came home Saturday, April 28, and will remain home this summer.

Mrs. Ernest Dodd went to Inman Friday, May 4, where she attended an operetta. She spent the night with her sister, Mrs. Jeff Davis, and returned home Saturday.

Ernest Dodd went to Springfield on Saturday afternoon, May 5, to attend the funeral of Scott Sloan.

Gus Obermire returned Tuesday, May 1, from a trip through Kansas, Oklahoma and Missouri.

Mrs. Gus Obermire and daughters, Nola, Karen, Rita and Brenda, accompanied Mrs. Mary Henning, of Atkinson, to Norfolk on Thursday, May 3.

Mrs. Aletha Jackson, of Atkinson, spent Wednesday, May 2, with Mrs. R. A. Coffman.

Mrs. C. F. Gillette, of Chambers, spent several days last week with her mother, Mrs. Estella Bachman.

Mr. and Mrs. Joe Timmermans and family, of Sutton, were here to attend the senior class play Thursday evening, May 3.

Miss Helen Engler returned to Omaha on Wednesday, May 2.

By BLANCHE SPANN PEASE

Do you get the most from your nylon stockings? If you do not you may not be using good judgment when you buy them. Let us consider.

First of all, do you buy the type of nylon suited to your needs? Or do you buy ultra sheer hose for street wear, picnics, and everyday house wear? Because that's pretty silly. Your nylon dollar will go so much farther if you use your head.

For waking, house work and such, buy a heavy duty service weight nylon in heavy weight and you'll get a lot of extra wear mileage. Hose won't go right through at heel and toe and won't snag so easily. For general wear, a utility sheer will give good duty. This is sheer enough and dressy enough for most purposes.

For your dressiest most glamorous times get the ultra sheers and then keep them strictly for that purpose.

You can also buy a runproof nylon that is actually that. Usually you can purchase them in either ultra sheer or utility sheer. Each tiny stitch is locked in, so that they actually won't run and the mesh is so tiny that a little ways away you can hardly tell the difference. These are particularly nice for those who snag hose easily, young mothers with children who might snag them, and so on.

Buy proportioned nylons to fit your foot size and height, then there won't be garter pull strain if they really fit you. How often a tight supporter will pop a run in your nylons. Be sure you buy your nylons long enough in the foot, too short hose wear out more quickly.

Buy hose of a conservative color that will go with your wardrobe all the way through and you will have a better buy. And you'll get more for your money if

S. D., came on Tuesday night, May 1. They were called here by the sudden death of their mother, Mrs. Susie Fuller.

Rex Coffman and two friends from the agricultural college at Lincoln, spent the May 5 and 6 weekend with his parents, Mr. and Mrs. R. A. Coffman.

Mrs. Elvira Smith spent the weekend with her sister, Mrs. Art Reynolds.

We live 35 miles from Bassett and it's a regular job to take the boys in Sunday and get them Friday. It's 3 miles to Linda's school so that's a daily job. We're thankful for an open winter.

Here's a recipe for French apple pie I like very much. Cooking is a hobby of mine that I enjoy but like all housewives, get tired of it.

FRENCH APPLE PIE
One cup brown sugar, 1/2 cup flour, 1/2 cup butter. Mix and put this over your apples in a raw-crust and bake.
MRS. HAROLD SHAW.

SANDHILL SAL

It is so much easier to tear down than it is to build up. Maybe that is why so few people are willing to help with the building of other people's success stories. One of the hardest people you can possibly find to live with is yourself.

Most people don't know what they want until they can't get it. "To live a long life, choose long lived parents and make your entrance into this world in March," advises a physician. Too bad but this information came to us 42 years too late to do me any good.

Mr. and Mrs. Carl Miller and sons, of Norfolk, visited in O'Neill Sunday with Mr. and Mrs. George VanEvery and Mr. and Mrs. LaVerne VanEvery.

Mr. and Mrs. Eugene McDermott moved to a ranch near Bassett Sunday.

Mrs. Rose Ellis, of Vancouver, Wash., is a guest of Mr. and Mrs. Dick Tomlinson.

ALWAYS BE CAREFUL DRIVING

The difference goes more than Skin-Deep

Nobody wonders what you're driving when you roll by in this one.

In the 1951 line-up, its brand-new front-end styling stands out with a beauty all its own.

You're the proud owner of a Buick—and the whole world knows it.

But you—at the wheel—enjoy a long list of differences that go far deeper than looks.

The ride is different—level and true. You sit the road with special assurance—because Buick's torque-tube drive keeps rear wheels firmly aligned—soft coil springs and bobbles—honest weight keeps you on a steady keel.

The power is different—eager and sure. Buick's high-compression Fireball engine does wonders with fuel—and no matter what you demand in emergency, there's horsepower to spare.

Handling is different—this car seems to steer itself on straightaway or curve—and swings lightly into parking spots inches shorter than you'd think you need.

Capping it all, there's the silken versatility of Dynaflo Drive,* that takes all the tenseness out of driving—responds to your slightest wish with a surging swoop of power.

No doubt about it, what you get in a Buick is far more than just a new car—it's a whole new experience in getting pleasurably from here to there.

So why not explore this difference? Come, take a Buick over and find out how very much satisfaction smart money can buy.

Equipment, accessories, trim and models are subject to change without notice.

No other car provides all this:

- DYNAFLO DRIVE* • FIREBALL POWER
- 4-WHEEL COIL SPRING • DUAL VENTILATION
- PUSH-BAR FRONT • TORQUE-TUBE DRIVE
- WHITE-GLOW INSTRUMENTS • DREAMLINE STYLING
- BODY BY FISHER

*Standard on ROADMASTER, optional at extra cost on other Series.
