A Good Law—Now Replaced By One Still Better

The \$50 fine against minors for falsifying their age to obtain beer has been doubled to \$100!
 The Nebraska Division, U.S. Brewers Foundation, compliments the state legislature for stiffening the penalty, believing this is a step in the right direction.
 The industry strongly opposes drinking by minors. It has long cooperated with enforcement officers in repressing sales to those under legal age. It feels the new law will be helpful in its efforts to operate in the public interest.
 "Statement of Age" blanks, supplied by the Foundation, will now be even more effective in preventing drinking by youths.
 You are urged to cooperate in making this improved law really work.

IN NEBRASKA RACING IS DIFFERENT...

In Nebraska, racing isn't a business, but a sport where neighbors get together in the friendly atmosphere of good Nebraska sunshine for an afternoon of exciting entertainment. This is the only state of the 26 states having legalized racing in which no individual can share in the profits. Racing can only be conducted by State or County Fair Associations, or non-profit organizations, such as Ak-Sar-Ben.

Ak-Sar-Ben board members, like your county and state fair boards, are civic leaders who serve without compensation as a public service.

Receipts, after expenses, are used in their entirety for such civic purposes as promoting county fairs, university scholarships and fellowships in agriculture, 4-H activities, etc. These are only a few of the many beneficial ways proceeds from Nebraska racing are put to good usage.

Yes — In Nebraska racing is different.
