Colorful 50 Years for Dorsey Pair

(Continued from page 1.) dates from April, 1882. He was 9-years-old when he reached here.

They have lived in Steel Creek township continuously throughout their married life.

Although this grand old couple recently relinquished the telephone switchboard, the Wiley home and postoffice still is a popular place and folks drop in at all hours.

The Wileys are pillars in the little Dorsey Presbyterian church. Faithfully they make their way the year-around to the church, several miles away.

They have this to say about their minister—Rev. John Graham, who makes the 30-mile trip from Ewing: "He's a determined preacher!"

But their determination in raising a fine family and in fulfilling a special role in their community impresses the visitor.

Their children are: S/Sgt. James E. Wiley, who is in the army and lives at Oakland, Calif.; Walter Wiley, of Verdigo City, Calif.; Sgt. Marvin J. Wiley, of Grand Island, a member of the Nebraska safety patrol; Mrs. Howard (Ellen) Marston, of Yellowstone Park, Wyo.; and Miss Judith Wiley, who is in the WAVE and is stationed at Cleveland, O. There are 4 grandchildren and most of the descendants plan to be with their parents on the golden wedding date.

The Wileys will be heard in a tape - recorded interview on "The Voice of The Frontier" radio program (WJAG, 780 k.c., 9:45 a.m.) on Monday, June 11. George Hammond will conduct the interview.

Tell of 4-H Club Week Activities

(Editor's note: Murray and Benton Mellor, of Atkinson, in the following article tell about their experiences at the 1951 Nebraska 4-H club week activities.)

By MURRAY AND BENTON MELLOR

The agriculture college campus at Lincoln was the scene of some 300 4-H'ers registering for a week of entertainment.

Among the Holt county group there were 3 members and 1 leader. We were all sponsored by some company or firm.

Those attending were Pat Boyle of Ringside 4-H club, of O'Neill; Murray and Benton Mellor, of the Clover 4-H club of Atkinson, and their leader, Helen Martens.

As Benton was one of the district speech winners, he had to be there at 9:30 for the state contest.

Radio station KFAB, sponsors of the speech winners, gave a special luncheon for the speakers at the Cornhusker hotel.

WOW, sponsors of the soil conservation winners, of which Murray was one, gave them a special luncheon.

By midafternoon we were all divided into separate groups according to age. The girls toured the home economics part of the campus. The boys toured the dairy, beef, hogs, sheep and poultry barns.

Wednesday morning we were led in group singing by Mrs. Tullis. The main event of the day was the tour of Nebraska City, where we saw the famous Arbor Lodge. It was the first time for many of us to see this historical spot, and it really was an inspiration.

Every morning we had an hour of recreation led by state instructors. Thursday morning we saw the pictures Miss Jo Ann Skaciorys had taken last summer in Europe. Jo Ann was an international famm youth exchange. She lived in the homes of 3 different families.

That afternoon we toured our famous state capital where he heard a speech by our governor, and at a banquet that night we heard a speech by Chancellor Gustavson, on "The Power of Determination of One's Mind."

Friday morning we went by train to Omaha. We arrived there at 6:30 and toured the 3 large packing plants, and were guests of the Omaha Livestock exchange for a luncheon.

After dinner we boarded our special train and moved over to North Omaha. The girls saw a beautiful style show at the Fontenelle hotel. The boys were divided into 2 groups—some went to the Beans Bag company plant, while the others went to the Union Pacific shops. Their workshops cover 114 acres of land and they employ 4,000 men.

It would take a lot of time and paper to tell all of the highlights and I think we have hit the most important ones. This was a trip that will be remembered by all who attended it, and we would like to make this a challenge to all other 4-H'ers.
