What makes every  
Ford Dealer a  
*Quadrupus?*

• Please get us straight. Ford Dealers only have two arms! But they offer an exclusive 4-way service advantage that saves Ford Owners time and money. It's this 4-way service that makes us think of a Ford Dealer as a Quadrupus at times. You see, (1) he's ready to supply you with Genuine Ford Parts—made right to fit right to last longer. (2) He offers you the services of Ford-trained Mechanics—men with years of experience with Fords. (3) He uses Special Ford Equipment—just right for Fords. And (4) he uses Factory-approved Methods—designed by the men who built your Ford. Save time. Save money.

## Attention, HAY MEN!

A SICKLE GRINDER, POWER DRIVEN, ELECTRIC OR GAS!  
Something New — Something Useful

• Low cost operation, this machine grinds a seven-foot sickle in twenty minutes or less for the small sum of ten cents or less for operating cost! When operated according to directions, it WILL NOT BURN the section. And the section will maintain the correct bevel until worn out. This machine is safe to operate and can be operated by anyone old enough to work in the hay field.

• It is no longer necessary to take time off to take your sickles to town to get them ground. Just get a gas powered machine and grind them in the field or an electric machine and grind them at the shop. This machine was patented by the B.&N. Sickle Grinder Co., and is manufactured by the Henke Manufacturing Co., Columbus, Nebr.
