Former Argentina Missionary Coming

On Sunday, August 9, Christ Lutheran congregation of O'Neill will observe the annual mission festival.

"Mission festival Sunday is proof that Christians take seriously the command of the Lord Jesus Christ to preach the Gospel to every creature," according to Rev. R. W. Olson, church pastor. "On that day they consider prayerfully the reasons why we are to be engaged in missionary activity and the part they are privileged to play in it," he continued.

The congregation of the church will conduct 2 services at the O'Neill high school auditorium. The first service will be at 10:30 in the morning with Reverend Olson, church pastor as speaker. The afternoon service will begin at 2:30 with Rev. Carl Wolf, former missionary to Argentina, now of Venus, as speaker.

Reverend Wolf served as missionary in Argentina for almost 11 years, serving the Lutheran congregations and mission places in the Pampas province, Cordova and the Chacos. This work was strictly among the natives of those regions. For the past 20 years he has held pastorates at Chadron, there serving 3 mission places covering a large territory. He came to Venus 5 months ago. Reverend Wolf will base his mission sermon on John 1:45-49 with his theme and parts as follows: "Philip Findeth Nathanael." I) He invites him to "come and see." II) He came and saw.

Special musical numbers will be rendered by the junior choir of St. Paul's Lutheran church, Chambers. Dinner will also be served at the school between the services.

Friends and visitors are cordially invited to attend one or both of these services and also to partake of the noon meal. Reverend Olson explained.
