

## Weichman-Bernt Nuptials at Stuart

STUART — Miss Vita Marie Weichman, daughter of Mr. and Mrs. John Weichman, became the bride of Donald C. Bernt, son of Mr. and Mrs. Karl Bernt, Monday morning, September 10, at 9 o'clock nuptial mass in St. Boniface Catholic church at Stuart. Rev. A. J. Paschang performed the double-ring ceremony.

The bride wore a gown of white slipper satin fashioned with a nylon lace bodice with self covered buttons in the back. The long satin sleeves came to a point over the wrists. The full skirt fell from an Elizabethan point in front and extended into a 3-yard train. Her matching fingertip veil of illusion net, edged with wide lace, fell from a crown of seed pearls and rhinestones. Her jewelry was a single strand of pearls and matching earrings, a gift of the bridegroom. She carried an orchid on a white prayer book, a gift of the bridegroom's parents. She carried out the tradition of something old, something new, something borrowed and something blue.

Miss Leola Jane Weichman, sister of the bride, was maid-of-honor. Mrs. Eugene Hamik, cousin of the bride, was bridesmaid. They wore identical gowns of cerise and turquoise satin with matching headpieces and carried bouquets of yellow carnations.

Christine Wewel, of Newport, cousin of the bridegroom, was flower girl. Her gown of white satin was fashioned similar to that of the bride.

Leon Weichman, cousin of the bride, was ring-bearer and carried the rings on a heart-shaped white satin pillow edged with lace.

The bride's mother wore a dress of navy blue with black accessories. The bridegroom's mother wore a brown dress with black accessories. They both wore red and white carnation corsages.

Jim Batenhorst, friend of the bridegroom, and Eugene Hamik, cousin of the bride, attended the bridegroom. Ushers were Charles Weichman and Leo Bernt, cousins of the bride and bridegroom.

A wedding breakfast was served at the home of the bridegroom's parents by Miss Ann Wewel and Mrs. Bill Wewel.

The wedding dinner was given at the farm home of the bride's parents. About 40 guests were present. The bridal table was centered by a 3-tier cake topped with a miniature bride and bridegroom, which was baked by Mrs. C. F. Gillette, aunt of the bride. Waitresses were Marge Weich-

man, Sharon Bigelow and Esther Gans.

Mrs. Bernt is a graduate of the Stuart high school class of 1950. Mr. Bernt also attended Stuart high school.

After a wedding trip to Denver and other Colorado points, the couple will reside in Stuart where the bridegroom is in business with his father.

Among the out-of-town guests attending the wedding were: Rev. John Hilt and Miss Ann Wewel, of North Bend; Mr. and Mrs. C. F. Gillette, of Chambers; John Bernt, Miss Laura Dieken, Mr. and Mrs. Bart Schifferns family, of Hastings.

## Why Millions Call Him "HOLY FATHER"

Catholic loyalty to the Pope is the cause of never-ending amazement to many non-Catholics.

They wonder how an exclusively spiritual leader can command the devotion of nearly four hundred millions of people. They cannot explain why this vast religious family...representing every race, color, language and political belief on the face of the earth...lives and grows through the ages, while man-made empires have their day of glory and then disappear.

What is there about this one man that causes people to speak of him in a hundred tongues as "Holy Father"?

We find the answer, of course, not necessarily in the holiness of the man himself, but in his Christ-given office. The answer is found by tracing the history of the Catholic Church...the history of 262 successive Popes...back through nearly 2,000 years to Christ Himself.

We know as a matter of historical fact that Christ did establish His Church...that He commissioned the Apostle Peter as its first head...that He sent His Apostles forth to teach men to observe all things He had commanded.

We know from the New Testament that the Church was actually

organized...that it was governed by the Apostles under the leadership of Peter...that it was teaching Christ's truth far and wide, long before the last book of the New Testament was written and the books of the Bible were collected into one volume.

Christ's purpose in organizing a Church was to make certain that the good news of Redemption would be preached to all men...even to the end of the world. To accomplish this with fallible men, required that He establish a Church...divinely protected from error in transmitting His teaching through the centuries.

The Catholic Church traces its unbroken history back to the Apostles—back to Christ. And Catholics today call Pope Pius XII "Holy Father" because he is the lawful and historical successor to Peter, the first Pope. He is in our time...as Peter was in the first century...the Vicar of Christ on earth.

Would you like to know more about the Pope...why the promises made by Christ to Peter and his successors make the Pope the most important man in the world? Then write today for a pamphlet which we shall send you free and without any obligation. Ask for Pamphlet No. 4-N.

**TWO-CYLINDER**  
**ENGINE DESIGN**

*Cornerstone of Greater Tractor Value for 25 YEARS*

John Deere two-cylinder engine design was born with the introduction of the first tractor to bear the John Deere name—the Model "D"—back in 1924.

Right from the start, the simple, rugged construction of that tractor proved itself. Here was unequalled simplicity and strength through fewer, heavier parts...easier maintenance through greater accessibility. Here was husky farm power that won immediate popularity with farmers everywhere...that set new standards for tractor dependability, economy, and long life.

These same basic advantages are just as important in a tractor today as they were a quarter-century ago. They're yours to enjoy, yours to profit by, along with every modern operating feature, when you choose a John Deere. See us soon.
