Golden Keys Club Organized

The Golden Keys club was organized at the Emmet school district 20.

At our first meeting on Friday, September 28, we elected our officers. They are: Mike Schaaf, president; Jerry Schaf, secretary; Kathleen Grothe, secretary; Robert Perry, treasurer; Linda Serck, news reporter.

For our colors we chose red, white and blue. Our motto is "Keep going, if you can not walk, creep."

We are working for better language, better manners and better citizenship. Each of us has back of the room. When we use a paper apple hanging in the poor grammar or we are impolite, our teacher makes a worm-hole in our apple.

Later on we plan to buy savings stamps as a part of our club work.

We plan to hold our meetings on Friday mornings. — By Linda Serck, news reporter.

FREEZE DAMAGES BIG CORN CROP

Mercury Slips to 26; Only Early Planting Escapes Ruin

Holt countyans during the past 7 days have chilled in a freezing temperature and have sweltered during Indian summer weather.

In other words, weather conditions have varied.

Early last Thursday the mercury dipped to 34 degrees and a light freeze was reported in some low-lying areas. Next morning came the clincher, however, when the mercury dipped to an official 26.

The period was accompanied by chill winds and overcast skies. Indian summer weather set in Saturday and by Monday the mercury had climbed as high as 92 degrees.

The warm weather following the freeze had a tendency to dry out vegetation rapidly.

Most of a big corn crop in this region was caught short. Many farmers will cut their corn and use it for feed. Early corn escaped damage.

Showers fell intermittently Wednesday afternoon.

Week's weather summary, based on 24-hour periods ending at 6 p.m. daily, follows:

Date	Hi	Lo	Prec.
September 26	62	54	
September 27	55	34	
September 28	60	26	
September 29	76	46
