

Pack 1,172 Pounds Clothing for Relief

EWING—Mrs. Mary Rotherham, member of the Altar society, of St. Peter's Catholic church, reports that seven boxes of clothing were sent to the Holy Rosary, Pine Ridge, S.D., during the month of February.

From September, 1951, to the present the society has collected 1,172 pounds of clothing — 821 pounds being sent to Korea, 291 pounds to Brazil, the balance to home missions.

Mrs. Rotherham has taken this project as a hobby. In the last week of February she devoted 50 hours to processing the clothes and packing besides the other activities of her home and the school girls who stay with her.

She sees that each garment is in perfect condition, ready for the individual to wear when given, before packing them. The clothing is also sorted as to children's and adults', each group being packed separately in boxes and labeled. She has also stood much of the expense of this work but at present is being assisted by the Altar society, especially in shipping charges.

The clothing has been donated by St. Peter's parish and other interested persons in the Ewing vicinity.

The hobby of Mrs. Rotherham is not only an important job in the society but has given help to the destitute people of war-torn countries and the needy of others.

Many letters of acknowledgment have been received from all over the world by Mrs. Rotherham and the sincere appreciation and the thanks of those who received the clothing have been an added inspiration to her in this worth while hobby.
