

**Larry Johnson
P-TA President**

The Parent-Teachers' association met Monday, March 17, at the public school. Supt. D. E. Nelson was speaker for the evening.

His interesting talk pertained to the importance of child guidance in the school and in the home. He related some interesting figures as the outcome of the achievement tests given in the public school recently. The teachers have maintained a much better than average standard for the students in each grade.

Musical numbers on the program included several songs by the fifth grade, under the direction of James Bastian. They were: "Dan Boone," "The Mill," "Lullaby" and "Piper of Hammond," which they dramatized.

A quartet consisting of Mr. and Mrs. R. D. Johnson, R. W. Johnson and Mrs. Phyllis Johnson sang "On The Jerico Road," by Donald S. McCrossan, and "Stars of the Summer Night," by L. D. Woodbury.

Miss Betty Rodman and Miss Konnie Kurtz played two piano solos, "Melody of Love," and "On Top of Old Smoky."

Miss Esther Kaiser played a

clarinet solo, "Nocturne," by Bosse, accompanied by Charles Hauser.

During the business meeting there was an election of officers for the coming school year. New officers include: President—Larry Johnson; vice-president—W. B. Gillispie; secretary—Mrs. Dwight Harder; treasurer—Leigh Reynoldson.

Refreshments were served by the fifth grade mothers, assisted by Mrs. Batenhausen, fifth grade teacher, and Mrs. Leo Mullen, eighth grade teacher. The table was decorated in green and gold in keeping with the St. Patrick's day motif.

The fifth grade won treats for having the majority of parents present. There were 30 parents representing the fifth grade.
