LETTERS TO EDITOR

2347 W. Tonto St. Phoenix, Ariz. March 21, 1952

To The Frontier Editor: We received The Frontier and read with horror and regret of Chet Calkins murder. Our genuine sympathy to the Calkins family and all the friends and relatives.

A poem came out in the Phoenix paper that I am sending on to you. To me it seems to tell a story

THE GRAVEYARD SHIFT The graveyard watch is the watch of woe And a maze of dreamful web.

With life at the weakest ebb. The night things creep and the

The weary dial of the heart is

air is foul In robing shrouds of black. In a world of sleep the outcasts prowl And the living dead come

back. On ghostly feet the graveyard Moves on in a world of pain. Her brood are born of the outwind's drift

With twisted soul and brain. The blue-green flash of a gleaming knife-

A shot-or a muffled stroke-A card of hop is the price of a Or paid for a grain of coke.

A smothered cry, a stifled moan,

The sigh of a soul's release-The graveyard watch has claimits own With the still, cold hand of peace.

Comes the passing flash of a shield that shines, A phantom blue-clad form; In the fog cloaked street a bullet

And blood runs red and warm.

\$50 Increases To Grade Teachers

ATKNSON — At a recent meeting of the Atkinson board of education, members of the board voted to rehire all present teachers and to hire one extra teacher for the primary grades. The three lower grades will be placed one grade in a room next term as enrollment in these three grades is extremely heavy. It is expected that at least 25 will enter kindergarten this fall. Salaries of the grade school teachers were raised \$50 a year but no increase was voted to the high school instructors.

Those who have indicated that they will return are: Lower elementary teachers—Barbara Mlinar, Nona Beckwith and Celia Backhaus; upper elementary teacher—Barbara Moses; band— Arlan Haney; vocational agriculture—Laurence Lange; vocational music and high school social studies—Leone Killmurry. Supt. Harold Hutcheson ac-

Tractor Value JOHN DEERE TWO-CYLINDER ENGINE DESIGN for 25 YEARS

John Deere two-cylinder engine design was born with the introduction of the first tractor to bear the John Deere name

-the Model "D"-back in 1924. Right from the start, the simple, rugged construction of that tractor proved itself. Here was unequalled simplicity and strength through fewer, heavier parts . . . easier maintenance through greater accessibility. Here was husky farm power that won immediate popularity with farmers everywhere . . . that set new standards for tractor dependability, economy, and long life.

These same basic advantages are just as important in a tractor today as they were a quarter-century ago. They're yours to enjoy, yours to profit by, along with every modern operating feature, when you choose a John Deere. See us soon.
