

### Mrs. C. L. Cosner Burial at Stuart

STUART — Funeral services for Mrs. L. L. Cosner, who died Monday afternoon, March 17, at the home of her daughter, Mrs. D. B. Marcellus, were held Saturday afternoon, March 22, at 2 o'clock in the Community church in Stuart with Rev. Orin Graff officiating. Burial was in the Stuart cemetery.

The pallbearers were Glen McClurg, of Atkinson, Elmer McClurg, Charles Mulford, James Deming, Lawrence Lotquest and Emil Olday, of Stuart.

Marilla Finley Halstead was born February 6, 1871, at Campbellford, Ontario, Canada, and as a small child moved with her parents to Sibley, Ia., then when 12 years old came with her parents to Nebraska in a covered wagon to what was then called the "Point" in Boyd county.

She was married to Levi L. Cosner on March 3, 1890, and they took a claim at Fairfax, S. D., where they lived for seven years. They moved from here to Grand Rapids in the Dustin community and in 1915 they came to Stuart, where she lives until she died.

Mr. and Mrs. Cosner were the parents of six children, three daughters and one son having preceded her in death.

In 1940 they celebrated their golden wedding anniversary. On October 1, 1947, Mr. Cosner passed away.

Mrs. Cosner was active in church work, having taught a Sunday-school class for 63 years, first in Fairfax, then Dustin and Stuart. She received a life membership in the WSCS in 1947 and was a member of the Methodist church for many years.

Survivors include: Daughter—Mrs. D. B. (Mary) Marcellus, of Stuart; sons—Lawrence, of Glendale, Ariz., a warrant officer in the army; two sisters living in South Dakota; Brothers—John Halstead, of Fairfax, S.D., and Ed Halstead, of Kansas City, Mo.; 10 grandchildren and 15 great-grandchildren.

Relatives from a distance here for the funeral rites were Mr. and Mrs. Ed Halstead, of Kansas City, Mo.; Mrs. Daisy Cosner Hulick, of Albuquerque, N.M., and Mr. and Mrs. Melvin Marcellus and family, of O'Neill.

#### Terry Tomjack Honoree—

Mr. and Mrs. Leo Tomjack, assisted by Mr. and Mrs. Ivan Pruss, entertained 21 children from St. Mary's kindergarten class Sunday, March 23, with a theater party at the Royal. The party was in honor of Terry Tomjack, who was celebrating his 6th birthday anniversary.

The children met in the large jury room in the courthouse, and refreshments were served at the long table decorated with pink, blue and white. A large angel food cake appropriately decorated with six candles graced the center of the table. Favors were pink candy rabbits. Refreshments consisted of ice cream, cake and kool-aid.

Don't be sorry this year—see our wallpaper and paint before you buy.—Western Auto, O'Neill. 41-8c

#### A MATTER OF IMPORTANCE

The following reprint from the National Defense News section of the April issue of the Press Digest of the Daughters of the American Revolution is of concern to every citizen in weighing the merits of the candidates for President:

#### "FROM THE RECORD"

"Senator Estes Kefauver has thrown his coonskin hat into the ring as a candidate for President of the United States. We have asked the Daughters to check the records of all those who aspire to political office. Consider the following:

"1. The Senator is a proponent of Atlantic Union form of world government.

"2. In 1943 he voted to abolish the Committee on Un-American Activities.

"3. In 1945 he voted against making the Committee on Un-American Activities a permanent committee of the House of Representatives.

"4. In 1946 he voted against an appropriation for the investigation of Un-American activities.

"5. In 1946 he was the only Southerner who voted against a resolution to cite for contempt 18 communists who had refused to give information to the Committee.

"6. In 1947 he voted against a resolution to consider the Loyalty Bill which provided for the removal and prevention of appointment in the Executive Branch of the Government of all Communists or persons who belonged to organizations that favored the overthrow of our Government.

"7. In 1948 he voted against the provision of the Taft-Hartley Bill which provided for the filing of affidavits by labor leaders stating that they were not members of the Communist Party, or members or supporters of any organization that believes in or teaches the overthrow of the Government by force or by any illegal or unconstitutional method.

"8. He voted against the McCarran Communist Control Bill."
