## See Us Before You Buy that New Tractor!

DEAL WITH US AND..

# Save FROM \$50 TO \$500\*

Saving money these days isn't an easy chore. To get quality in the things you buy and still save is even more difficult. But when you buy a Ford Tractor, you enjoy both savings and quality due to mass production efficiency.

Take a good look. Note Ford Tractor's rugged construction . . . practical engineering. See how its built-in Hydraulic Touch Control saves time and effort. (Most implements can be attached or detached in sixty seconds or less).
