

Eagles Hit Atkinson in 50-0 Romp

Marv Miller's Kids Finish Season with 8 Wins, No Losses

(By a Staff Writer)
ATKINSON—Ho hum. O'Neill 50; Atkinson 0.

Except that all departments were functioning with methodical precision, the traditional Atkinson-O'Neill grid classic might have been interesting.

But Coach Marv Miller's Eagles couldn't sputter, couldn't falter, and didn't err as they rolled to a lopsided triumph over once mighty Atkinson Balers.

The Balers, who have been enjoying something less than an impressive season, simply couldn't fathom the sheer power and deception in the O'Neill attack. The Eagles stuck to the ground while, then took to the air, then churned away on the surface for a spell, and racked up seven touchdowns, five extra points and one field goal with the greatest of ease. It was the season's finale for both clubs.

For the Eagles it marked the eighth win in a perfect season. It was finis for these Blues—Davey Eby, Bob Carroll, Ronnie Bazelman, Galen Hull and Ed Davis, all regulars. Possibly Georgie Kilcoin, too. Georgie is a junior and his age might make him ineligible next season—depending on eligibility rulings now under consideration.

This writer doesn't want to bore you with a detailed run-down on the Eagles' scoring on the Atkinson grid Friday night, but for the record this must be stated:

Kilcoin slashed off his own right tackle for the first marker after O'Neill had kicked off to Atkinson, the Balers were held and forced to punt, and the Blues set up a hunk of yardage with a pass down the middle to Ed Warren Seger. Kilcoin tried left end for the extra point and missed. Score 6-0.

Fullback Duane Booth smashed over on a close-in line buck for the second TD. O'Neill had kicked again to Atkinson, again, the Balers were held and were obliged to punt, and the Blues roared down to the goal line when Mr. Booth rammed the wall. Eby's kick was good. Score 13-0.

Fleet Georgie scampered about 37 yards for the third TD, ending the first period. Eby's placement try was no good. Score

19-0.

Seger took an Eby pass and romped 30 yards in the second period. Booth added the point with a kick. Score 26-0.

Eby intercepted a Baler aerial and ran 15 yards into pay territory. Booth's kick was good. Score 33-0.

Ho hum. Intermission.

Bobby Carroll got into the scoring act in the third period with a 10-yard scamper and Booth's kick was good. Score 40-0.

Seger, who was snagging nifty throws from Eby, took one over the middle and went the distance. Booth added the point. At the end of the third the score: 47-0.

By now Miller was using substitutes freely but the pushover aspects didn't change. Miller ordered "No more TD's."

Next time the Eagles neared the goal Spectacular Mr. Booth shined his glasses and booted a field goal from the 20. Score 57-0.

Only once did the Balers get beyond the 50-yard stripe. A pass, Puckett to Dunn, advanced the Balers to O'Neill's 40 where it was lost on downs.

Ed Davis and Gay Hull played terrific ball offensively and defensively. They lorded it over opposing linemen all evening.

Ho hum.

Hull, Eby Elected Honorary Captains—Gay Hull and Davey Eby were elected honorary captains for the 1952 O'Neill high grid team. Election took place Tuesday.

'Better Balanced Chorus This Year'

Practical matters claimed as much attention of the Civic chorus this week as the musical matters.

First, the Chamber of Commerce announced that it would again sponsor this year's annual presentation of Handel's "Messiah" as it did last year. In so doing, the Chamber promises to underwrite all expenses. This will guarantee sufficient funds to pay for advertising, programs and perhaps the hiring of guest soloists.

At its Monday evening rehearsal, the chorus elected a board of directors to manage its affairs and plan general policies. Heading the board as its chairman is R. W. Johnson. Other members are Mrs. Lee Brady, Mrs. Harold Seger, Mrs. John Watson and Delbert Dick.

"This year's chorus is progressing nicely," according to Mr. Houser. The group is better balanced than last year and promises to offer a more polished version.

The program is planned for Sunday, December 14, at 3 p.m. in the public school auditorium. Soloists and other plans will be announced later.

The O'Neill high school grid squad: Front row—Wayne Strong, Robert Porter, Richard Gaskill, Jack Kilcoin, Edward Riits, Duane DeVall, Vernon Johnson, Larry McConnell, Donald Davidson, Jack Bailey, Harold Peterson, Russell Borg, Edward Krugman, Standing—Assistant Coach Paul Baker, George Kilcoin, Duane Booth, Larry Chase, Lyle Davis, Dave Eby, Edward Davis, Ronnie Bazelman, Robert Sanders, Duane Alton, Galen Hull, Warren Seger, Edward Gatz, Robert Carroll and Coach Marvin Miller.—O'Neill Photo Co.

Cardinals Win, Lose During Week

The St. Mary's academy Cardinals wrapped up the 1952 grid season with one win and one loss during the past week.

Under the Carney park lights on Friday night they spanked Elgin high six-manner, 51-24, in a free-scoring thriller, and in an armistice day battle at St. Edward the Joe George crew was trimmed, 7-34.

Lead All the Way

When the Cards uncorked against Elgin in the finale before the homefolks they led all the way. The first touchdown came on the second play of the game. Jerry Wanser galloped 26 yards to score. A pass netted the extra point. Fullback Wayne Donohoe bucked eight yards for the second TD and a pass netted the extra tally. The Hilltoppers' third touchdown resulted when Wanser was trapped and he lateraled to Donohoe who rambled across. The pass try for extra point was good, giving SMA a 21-0 margin.

Elgin got its first TD when Ed Scholl, who also plays in the backfield, crashed over the 6 after a long march.

Donohoe gave the crowd a thrill when he rambled 70 yards for SMA's fourth TD. Anderson of Elgin countered with a 66-yard gallop.

A pass to Wanser on the 32-yard line was completed and Wanser waltzed into pay territory. Score: 33-12.

Wanser counted again, taking a flip on the Elgin 16. Anderson intercepted a SMA flip after a few exchanges. He took the oval on the Card 39 and went the distance. Score 39-18.

Dick Graham, The Frontier's printer's devil, turned in some nifty footwork with a 47-yard sprint for the Cards. Score: 45-18.

Donohoe intercepted another Elgin pass and galloped 72 yards to score SMA's final TD. Jerry Sheets, Elgin back, ended the scoring when he bucked across. Final score: St. Mary's 51, Elgin 24.

St. Ed in Fat First Half

The St. Edward six-man crew racked up 34 points with the greatest of ease during the first-half of the holiday classic at St. Ed. But the margin built during the first two periods proved too much for the bewildered SMA Cards to overcome, although they held St. Ed scoreless in the last two periods.

The St. Ed scoring came on a mixture of passing and running plays. One TD came on the interception of an O'Neill bobble.

The Cards' only TD came when Dick Graham setup the ball on the St. Ed 10 and Big Jerry Wanser hustled it across.

The St. Ed game climaxed the season for the Cards who won three and lost four.

Governor Orders Irrigation Hearing

Four public hearings will be held in December on bureau of reclamation plans for development of the Niobrara river basin, State Engineer Harold L. Aitken said this week.

The reclamation bureau of the U. S. department of interior recently submitted to Gov. Val Peterson for review and comment a "preliminary draft of a proposed report" concerning Niobrara developments.

The hearings have been scheduled as follows: O'Neill, December 16; Ainsworth, December 17; Valentine, December 18, and Gordon, December 19. Dan S. Jones, jr., chief of the Nebraska bureau of irrigation, will preside at the meetings where reclamation bureau representatives will explain development plans and interested parties will be given the opportunity to ask questions and to express local reactions to the plans and local willingness to cooperate in the improvements under consideration.

The reclamation report presents an inventory of the land and water resources of the Niobrara river basin and outlines a plan for development of these resources.

The proposal covers 14 inter-related operating units which would provide for the irrigation of about 144,000 acres of land and the generation of about 200,000,000 kilowatt hours of electric energy annually, as well as recreational, fish and wildlife benefits.

Suggested for early construction in the draft of the plans are the Lavaca Flats and Ainsworth units. The proposed Lavaca Flats unit would lie along the Niobrara river in western Cherry county and would consist of 3,150 acres of land irrigated by pumping from the river. The proposed Ainsworth unit would consist of a storage reservoir on the Snake river in Cherry county and a supply canal from the reservoir to the 45,000 acres of the project lands near Ainsworth and Johnston in Brown county.

Reclamation officials estimate that the total cost of the plan for developing the Niobrara basin would be \$215,000,000. The cost of the Ainsworth unit is estimated to be \$25,000,000. The Lavaca Flats unit would be about \$900,000, according to reclamation officials.

The final report on the basin will not be submitted to congress for authorization until after comments of Nebraska citizens and Governor Peterson have been made on the proposed report, Aitken said.

The hearing will be held at the American Legion auditorium. A series of informal preliminary meetings is being arranged and will be announced, probably next week.

James W. Rooney of O'Neill, Lyle P. Dierks of Ewing and Walter Ries of Atkinson are directors of the Niobrara Basin Development association.

Demonstration Held for Rural Teachers

On Tuesday, November 4, 14 teachers from Holt county spent the day in Marie Schneider's school, district 5, watching Miss Rosalie Farley of the University of Nebraska do some demonstration teaching. The 14 pupils in the school took part in classes in social studies during the morning but were dismissed in the afternoon and the teachers remained for a meeting and discussion group.

District 5 Scene of Experiment

Friday these teachers were doing demonstration teaching in their own schools and they each had a group of from five to 10 neighboring teachers in observing them. The following teachers held group meetings and did the demonstration teaching in their own schools:

Atkinson: Mrs. Mae Hanel, district 69; Mrs. Valma Orr, district 180; Mrs. Bonnie Connor, district 208; Ida Schmeucker, district 99.

Stuart: Lucille Mitchell, district 86.

Page: Mrs. Viola Parks, district 56.

O'Neill: Mrs. Twila Sobotka, district 125; Joyce Miller, district 49; Betty Thomas, district 8; Florence Anderson, district 16; Lois Doty, district 84.

Chambers: Mrs. Jane Grubb, district 163; Mrs. Ruby Holcomb, district 212.

Ewing: Mrs. Rachel Van Conet, district 27.

This group is meeting Friday, November 14, since it was thought best to postpone the meeting from November 7.

Commented Miss Alice French, Holt county superintendent of public instruction: "I feel the meetings were very successful and appreciate that so many teachers in the county participated. We will have group meetings another year with a different teacher doing the demonstration teaching."

The Holt rural teachers' meeting which was scheduled for December 3 has been postponed indefinitely, because the speaker, John Lynch of the NSEA, is unable to be present.

Visiting teachers at Miss Mitchell's school were Violet Stahlecker, Delores Seger, Grayce McGraw, Larry Sawyer and Doris David.

Indians Admit Holt Burglary

Two Indians picked up in Sioux Falls, S.D., have admitted their role in a burglary in Atkinson early last Thursday morning at the Gonderinger Motor company. Holt Sheriff Leo Tomlack said he had not been furnished the names.

Night Marshall Otto Gloor broke up the attempted safe-cracking party after the intruders had done about three hundred dollars worth of damage. Previously the pair had demolished a door at the Ben Franklin store and escaped with \$42.13 in cash.
