Nebraska Turkeys Famed Throughout U.S.

The feature part of many a Thanksgiving meal throughout the U.S. will be a famous Nebraska-fed turkey.

Turkeys, bred and raised in Nebraska, have become known over much of the world as the very choicest eating birds. It was in this area that the plumper turkeys were developed.

Through this and other ex-

tra-fine quality products, Nebraska is recognized as a state whose standard is excellence. This is a reputation of which Nebraskans may well be proud. You can be equally proud of the brewing industry in Nebraska which for years

has conducted an educational program among retailers, encouraging approved tavern operation. Bible study and prayer meet-ing this week will be Friday On both counts-high quality products and approved
