

Ewing News

The home of Mr. and Mrs. George Montgomery was made happier on Thanksgiving day when their son, Robert, who is stationed at Ft. McClellan, Ala., called them on the telephone and their daughter, Miss Beverly, a student at Sterling college, Sterling, Kans., who was homeward bound to spend the holiday weekend, but due to the storm and bad road conditions stopped at McPherson, Kans., also called to inform her parents of her whereabouts.

On Friday evening, November 28, Mr. and Mrs. Alvin Gibson were hosts to the Nielson family for the first get-together in nine years. An oyster supper was enjoyed and the evening was spent informally. Those in attendance were Mr. and Mrs. Fred Pate of Hot Springs, S.D., Mr. and Mrs. Herbert Nielson and family of Inman, Mr. and Mrs. Leon Hertel of Chambers, Mrs. Calvin Bostrom and daughter, Karen, of Sioux City, Mr. and Mrs. Calmer Nielson of Gillette, Wyo. and Mr. and Mrs. Wayne Fry and daughters of Ewing.

Mr. and Mrs. Robert Tams and family drove to Springview on Thanksgiving day where the members of Mrs. Tams' family gathered for a reunion at the home of her brother, Kenneth Robertson, and father, George Robertson. Thirty-seven of the 43 members were in attendance. A no-host dinner was served cafeteria style. The afternoon pastime for the older folks was visiting and outdoor sports for the children.

DeFlon Asks for Hahn's Cooperation

Eric G. DeFlon of Chadron, president of the Highway 24 association, last week called on Herbert Hahn, executive secretary of the Nebraska Petroleum Marketers, to enter into a "spirit of cooperation" in Nebraska's highway issue.

Mr. DeFlon said, "Up to now we have had very little from Mr. Hahn other than abuse for the Nebraska highway department, irresponsible statements and a lot of fallacious reasoning on highway problems."

Mr. DeFlon said, "Here is an opportunity for Mr. Hahn and every other Nebraskan to render a real service to the state and the nation."

Mr. DeFlon said the problem "involved in our roads and highways are not limited to Nebraska alone" but are "becoming a national crisis."

The O'Neill Chamber of Commerce is a member of the Highway 20 association, headed by Mr. DeFlon.

Health Film Lesson Put to Use

The children of the Emmet school who belong to the Junior Red Cross are making paper tray covers which they are going to send to some hospital.

We did not have school Friday, December 5, because our teacher, Miss Helen Martens, went to Lincoln for the delegate assembly.

We are working on our Christmas program, which will be on Tuesday, December 20.

In school we have filled out anti-cold captain charts and we drew a picture of some of the films that Mr. Dappen showed. There were two other schools here — one was district 76; the other, district 141. We have been making presents for our parents.

Kathleen Grothe has filled her stamp book. We drew names to exchange presents for Christmas.

We had visitors Wednesday, December 3. They were Mrs. Ed Etherton and Tommy. —By Kathleen Grothe, news reporter.

Penny Authorizes Special Payment

J. C. Penny company, nationwide department store organization, announced this week that its directors have authorized a special year-end payment for more than 49,000 associates in the company's 1,629 stores, offices and warehouses throughout the United States.

The payment will be an amount equal to two weeks' pay for all full-time associates who have been employed for the full year 1952, and proportionate amounts for extra and part-time associates and those employed less than a year.

Mr. and Mrs. Charles Gifford, Larry, Janet and Ray Allen surprised Mrs. Gifford's mother, Mrs. D. H. Hansen, on Thanksgiving with an unexpected visit and a birthday anniversary basket dinner.

The wisent, the European cousin to the American bison, lives on leaves and twigs while the bison is a grazing animal.

Page Soldier With Engineer Unit

Pfc. Donald D. Summers, whose wife, Maxine, lives at Page, is serving with the 1092d engineer combat battalion, which soon will mark its second year in Korea.

A West Virginia national guard unit now filled with men from all parts of the United States, the 1092d distinguished itself last winter with one of the most dif-

ficult engineering feats of the Korean campaign.

Construction specialists from his battalion maintained the only floating bridge which stayed in place across the turbulent Imjin river, often fighting ice several feet thick.

Private Summers is serving as an assistant air compressor operator with company C. Before entering the army last January, Summers worked as a farmer. His parents, Mr. and Mrs. Leslie C. Summers, live at Page.
