Scout Area Goal for '53 Is \$5,000

February 24 Set as Starting Date

Twenty men representing the communities that are within the Sandhills and North-Central districts, Boy Scouts of America, were present in O'Neill last Thursday evening at 6:30. The men were served a meal prepared by the M & M cafe and participated in an evening program conducted by 9 council scouters.

Plans were laid and specific jobs were given and accepted in the development of the 1953 community campaigns. Area goal of \$5,000 is to be raised during 1953—\$3,000 in North Central district and \$2,000 in Sandhills district.

The following men were present represent the various communities:

Dr. C. M. Eason of O'Neill, Lawrence Haynes of O'Neill, Paul Beha of O'Neill, Ed Zahn of Spencer, John Schmidt of Spencer, J. G. Brewster of Stuart, Dwayne Lockwood of Stuart, Ward Flannigan of Stuart, M. M. Shattuck of Stuart, D. R. Mounts of O'Neill, Ted Blake of Bassett, Victor Harley of Chambers, Alton Braddock of Page.

Lawrence Storjohann of Atkinson, Lawrence Kramer of Atkinson, Tom Weddle of Springview, Lyle La Zotte of Springview, Tom Rinehart of Springview, Bill Vanderheide of Valentine, and Harold Smith of Valentine.

The decorations and serving were taken care of by several of the O'Neill mothers under the direction of Mrs. D. O. Lyons. Three scouts also participated in the program.

The campaigns are scheduled for February 24 throughout the council on a coordinated campaign basis. This will be the first attempt at such an undertaking, and fine results are expected, according to Richard F. Miller of Stuart, scout field representative. If all goes well over 4,000 men will meet the morning of February 24 throughout the council area and will during the day raise 75 percent or more of the expected goal.

Communities which are planning to hold campaigns that were not represented are: Ewing, Long Pine, Ainsworth, Kilgore and Merriman.

"I don't have to worry about coccidiosis!"

"If you haven't heard the good news, I want to tell you about it. Now MoorMan's have added an ingredient to their famous Chick Minitrate to prevent serious death losses from both cecal and intestinal coccidiosis. They're calling this new product CociCurb Chick Minitrate—and your MoorMan Man has it."

This new CociCurb Chick Minitrate—like Chick Minitrate—has that amazing ability to unlock the energy and growth-getting capacity of your good yellow corn that gets chucks off to a jet-powered start.

"But, of course, the big new advantage of CociCurb Chick Minitrate is the protection it will give you against death loss from both cecal and intestinal coccidiosis. For the thickest, fastest-growing and most profitable chicks you've ever raised, take my advice and start 'em off on CociCurb Chick Minitrate. Better call The MoorMan Man today."

Golden Anniversary Buick on Display

A treat for O'Neill auto show goers will be the golden anniversary Buick being exhibited by A. Marcellus, O'Neill's Buick car and GMC truck dealer.

The 1953 Buicks feature a high compression valve-in-head V-8 engine of new design in both the Roadmaster and Super series, a new twin turbine dynaflo that greatly improves performance and economy and fresh new styling inside and out.

The new engine, which develops 188 horsepower in the Roadmaster and 170 in the Super, is of the 90-degree "V" type with a compression ratio of 8.5-to-1, the highest in the industry.

Buick's power steering, which proved to be so popular last year, has been made standard equipment on the 1953 Roadmaster and is offered as an option on the Super and Special.

Power brakes, which take 75 percent of the effort out of braking, are offered as optional equipment on the Roadmaster.

New styling features include a new front end, new headlights modelled after those on the Buick's famed XP-300, new rear fenders and interior trim combination unequalled for beauty and luxury.

Buick's generous-sized bodies continue to be featured in 1953. They offer the maximum roominess and comfort available in the industry.

"We have made more important styling and engineering changes in the 1953 Buick than in any other model we have produced in the last 25 years," said Mr. Marcellus. "Our new engine and the new twin turbine dynaflo, coupled with our many styling improvements, make the 1953 Buick the newest car on the market today, and the most outstanding value we have ever offered the public."

Holt Methodists Coordinate Work

Five churches were represented Sunday afternoon as Methodists in Holt county moved to organize for the sake of coordination. Churches represented were the Methodist churches at Atkinson, Emmet, O'Neill, Inman, and Ewing. The meeting was held in the O'Neill Methodist church.

Plans for the immediate future include a cooperative school of evangelism for laymen. This school will follow the walking revival idea and will be operating in the five churches and communities.

The school begins Sunday afternoon, February 8, at 3 p.m. at O'Neill. Guest speakers for this first session will be Mr. and Mrs. E. M. Rice of Grand Island. They will tell of the work of the fishermen's club in Trinity Methodist church in that city. Also included will be the use of two by two charts and the Buy Black evangelistic records. Supper will be served at 5:30 p.m. The latter portion of the evening will be used in visitation in the church's homes.

The Monday evening session of the school will be held at Inman's Methodist church. That session's guests will be the young associate pastor of Trinity Methodist church, Grand Island, Rev. Allan Justad. He will be accompanied by a layman. More charts will be used and another record.

Tuesday evening of the week will be spent in visitation in the homes of the un-churched.

Wednesday evening the school moves again—this time to Atkinson. A guest speaker will be present. More training and re-

ports will feature this meeting. Thursday evening, more visitation in the churches' area. An announcement as to place will be made in next week's paper. Frontier for printing!
