A Word of THANKS

THIS IS ONE of those messages that becomes difficult to write. Largely because of a personnel shortage, we are obliged to close our O'Neill store. This decision has been made only after long and serious consideration.

WE ARE taking the HOTPOINT line of appliances back to our Norfolk store, which is a long-established HOTPOINT dealership. FETROW REFRIGERATION SERVICE of O'Neill is the new GENERAL ELECTRIC dealer, and the WM. KROTTER CO. of O'Neill has purchased our stock of parts and now is the authorized MAYTAG dealer in the O'Neill region.

ALL WARRANTIES on new merchandise will be honored by our Service Department at our Norfolk store, and all guarantees made on new and used merchandise, at time of sale, likewise will be honored. We will have service people in the O'Neill region regularly, and if any of our customers have service problems on warranted goods we will accept personal phone calls, collect, at our Norfolk store and will make good these warranties and guarantees.

WE WILL CONTINUE to operate a warehouse in O'Neill and will be in and out of your community with regularity.

FOLKS IN THE O'NEILL REGION have been generous with their support and we have striven to be worthy of that patronage with finest quality electrical and gas appliances and good service. We sincerely thank you for those many courtesies and again we wish to say that the shortage of trained personnel is the chief reason we are closing our O'Neill store.

WE SINCERELY HOPE WE WILL HAVE THE OPPORTUNITY OF RENEWING FRIENDSHIPS FROM TIME-TO-TIME IN OUR NORFOLK STORE, 207 MADISON AVE., PHONE 53, OR IN YOUR HOME.

Thanks Again . . . and Best Wishes
