Rousing Member Campaign Planned

CHAMBERS—The Chambers post 320 of the American Legion opens its 1954 membership drive the last week in September and hopes to have it completed by armistice day. Plans are now made for a stag party for all members and prospective members following the September 25 meeting at the Legion hall. The membership committee plans to "knock on every door for '54" with a special hand of welcome to the returning Korean war veterans.

The Chambers post plans a stepped-up community service program for '54—another reason for additional memberships. A shining example of the post's community service effort is the Legion-sponsored Sunday-school and church baseball league in the Chambers area. Games were played by six league teams on most Saturdays throughout the summer. The church fielding the winning team in the current league playoff will receive a handsome trophy from the post.

The Chambers Legion officers for 1954 are: Stanley Lambert, commander; Edwin Hubbard, vice-commander; Bud Spath, adjutant; Keith Sexton, finance officer; Bud Green, chaplain; Merlin Grossnicklaus, sergeant at arms; Cleo Alderson, service officer.
