Magazine Drive

The American Legion Auxiliary of O'Neill will start its annual magazine drive on October 5th and will continue for three weeks.

The commissions derived from the sales of magazines will be used to purchase a hospital bed and wheel chair, which will be made available for temporary use in the homes of this area without charge. Through this same plan in the past years have been bought a number of hospital beds, oxygen tent, polio pac-heater, neophore eye-testing cabinet, polio walker, and other sick room equipment. Representatives will canvass the housewives on the farms and the homes in the towns of this county with a large selection of magazines. Each purchase will be a help to buy this much needed equipment. In order to know that you are buying in confidence each representative will carry a letter of introduction signed by the president and secretary of the American Legion Post Auxiliary of O'Neill. Please give these representatives the courtesy of a hearing. This is a benevolent proposition.

Yours for service,
O'Neill, Nebr.
