**Weekly Market Report**  
of  
**The Atkinson Livestock Market**  
Atkinson, Nebr.

Although interest in all classes of cattle was quite broad at this week's auction, it lacked the aggressiveness apparent a week ago, influenced no doubt by the sharp break in fat cattle. This was particularly apparent on cattle with weight. The choicer steer calves ruled generally 50 cents to 1.00 higher, while heifer calves sold 50 to 75 cents lower.

Top quality steer calves sold at 20.00 to 22.50 with two very attractive lots going at 22.75 and 22.90. More ordinary steer calves brought from 17.50 to 19.00. Heifer calves bulked at 14.50 to 15.50 with several outstanding lots going up to 17.00 and 17.25. Better quality yearling steers from 18.50 to 19.00 with a fancy load of 550-lb. averages at 20.70. Right good steers at 17.00 to 18.00. A consignment of fleshy feeder steers, 100 head of them brought 18.70. Better quality stocker and feeder heifers sold from 15.00 to 16.50 with more ordinary kinds at 12.00 to 14.00 a hundred. Cows and butcher cattle ruled barely steady with a week ago.

Receipts for the two days totaled nearly 5,000 head.
