By Brenda Margritz vation. Men have formed organ- little recently.

The prosperity of Holt county izations to help the people of to- Paul James depends upon the fertility of it's day to save the small amount of soil. Pioneers broke up the land natural resources left. Soil Conand planted it grain crops year after year. Much of the pasture land was grazed too heavily. In land was grazed too heavily with land was grazed too heavily. In land was grazed too heavily was grazed comparatively few years the build terraces, and grow certain wind and water were carrying crops to avoid erosion. away the top soil.

To stop this waste is the most important that established practices of plowing around hills, then instead of planttices of soil conservation be fol- ing one crop in a large field they lowed. The building of dams to have learned to strip crop. This hold the run of water, strip farming, contour farming, the planting of clover crops on the light soil and coeding to the strip crop. This is helpful because different crops put different elements into the soil, thus enriching it. Wind and seeding of permanent past- breaks were planted to hold moisures are some of the methods re- ture in the soil, serve as wild life You are hereby notified that on commeded by our Soil Conser- reserves and to keep some of the the 2d day of November, A.D., vation Service. The people in wind from blowing the soil.

A very important way is proper for the study lesson care of the top soil. The top soil The subject of the is our most valuable soil which contains organic matter. Without t there would be no pasture land, and no crops could be raised. Of course, the soil conservation survey has discovered a way to keep this top soil. A farmer must plant grass and trees in order to keep the soil. Stubble mulch forming is a very popular said petition on or before the 14th mulch farming is a very popular day of December, 1953.

A farmer can practice soil conservation in other ways, too. Contour farming is used by farmers with hilly or sloping land. The ed in native costumes. Articles old-fashioned way of farming up-and-down the hill caused much the audience. trouble, and therefore was not a very practical way of farming. This endangered the top soil. When it rained, all the top soil would run down the hill. Contour Garfield, Wheeler, Loup, Brown, farming is plowing around the hill. This modern means prevents the loss of top soil. Terracing is another way of doing this.

Farmers and ranchers should learn the different kinds of grass-es in order that they will know which is best for holding the soil. They should also learn about the different kinds of soil to know TO ALL CONCERNED: which grass, tree of plant will grow best in it.

Farmers and ranchers can practice soil conservation in many ways but it seems the most imfees and commissions, distribution of estate and approval of final account and discharge, which will be for hearing in this court on November 19, 1953, at 10 o'clock, A.M.

LOUIS W. REIMER

ways but it seems the most important factor is the holding of the top soil. All farmers and ranchers should cooperate in doing this or what the Soil Conservation wishes and Holt county will be a much more profitable place to live.

Stop Taking Harsh Drugs for Constipation

Avoid Intestinal Upset! Get Relief This Gentle Vegetable Laxative Way!

For constipation, never take harsh drugs. They cause brutal cramps and griping, disrupt normal bowel action, make re-peated doses seem needed.

Get sure but gentle relief when you are temporarily constipated. Take Dr. Caldwell's Senna Laxative contained in Syrup Pepsin. No salts, no harsh drugs. Dr. Caldwell's contains an extract of Senna, one of the finest natural vegetable laxatives known to medicine.

Dr. Caldwell's Senna Laxative tastes good, gives gentle, comfortable, satis-fying relief for every member of the family. Helps you get "on schedule" without repeated doses. Even relieves stomach sourness that constipation often brings.

Buy Dr. Caldwell's 30¢ size today. Money back if not satisfied. Mail bottle to Box 280, New York 18, N. Y.
