Davidson Booted on Discipline Point

The O'Neill high Eagles have been progressing well in early cage rehearsals, according to Coach Paul Baker.

Don Davidson, a senior guard, has been permanently dropped from the squad for disciplinary reasons, Baker announced this week.

From this angle, Friday night's game appears to be a tossup with the team getting the breaks apt to come out on top.

## 2 Heavily Fined on Game Charges

Two Atkinson men, James ("Jim") Kirkland, 32, and John Slaymaker, Jr., admitted guilt Monday in justice court here on separate game violations.

Kirkland was charged with shooting a deer out of season 24 miles north of Atkinson late Sunday. He was assessed \$300 for liquidated damages, fined \$25 his rifle was confiscated and he was ordered by the court to pay costs.

Slaymaker, who was charged with illegal possession of the deer, was fined \$100 and costs. Slaymaker was with Kirkland on the hunt, according to Game Warden Fred Salak, who made the arrests.

## State's Biggest Deer Hunt Underway

5,300 Permits Have Been Issued

The biggest deer hunting season in Nebraska history opened Tuesday in the northwest portion of the state. The state game commission says the outlook is "very encouraging."

Reports indicate an abundance of deer that requires harvesting. The commission has issued 5,300 hunting permits.

Last year 2,500 permits were issued and 1,921 deer were killed.

So far, no hunters have been shot since Nebraska began having an open season on deer. The commission hopes this record will be maintained, even with a record number of hunters in the field.

For 12 counties in the northwest corner of the state, the season opened Tuesday and runs through Saturday. Other counties to the east will be open from December 7 to 11, inclusive. Permits were issued by areas.

A total of 4,000 permits was issued for the two northwest areas, and 1,300 for the other three areas.

Shooting is permitted from a half hour before sunrise to a half hour after sunset.

Checking stations have been set up in each area, but animals will not be weighed this year.

The Halsey forest was first opened to deer hunting in 1945; but from then until 1949 there was no deer season. Since 1949 there has been a season every year.

A below average pheasant season came to a close Monday night.

Commission officials emphasize that it had been predicted this year's shooting would be mediocre, because the bird population was down 20 percent.

But the waterfowl season, which does not close until December 14, is picking up tempo and promises to wind up better than for several years.

Many Holt countyans, lucky enough to draw permits in the deer lottery, moved out with the hunters Tuesday in the northwest counties.

## Inman Tigers Cop Opener from Cards

Don Kelly Pours in 23 Points

In a somewhat ragged — yet very interesting — basketball opener, the Inman high Tigers scuttled the St. Mary's academy Cardinals on the O'Neill court Tuesday evening. Final score: Inman 48, St. Mary's 43. A large crowd was on hand to usher in the opening of the cage season.

The visitors grabbed an early lead and held the upphand throughout behind the right-sharp dunking on behalf of Inman's Don Kelly. He hit 23 points — including 12 the first half.

Both teams lost key players via the team roster. B. Davis was ejected from the Inman lineup and Dick Graham of St. Mary's was hustled off to the showers.

Inman hit 16 out of 31 gratis flips; the Cardinals could manage only nine out of 25 and that low percentage possibly cost the Cardinals the ball game. Terry Wanser scored 11 points for the Hilltoppers.

In a preliminary, the St. Mary's reserves scored a 27-12 win over the Inman seconds.

At Shriner Home—Mrs. Lillian Marne of Ute, Ia., and sons, Billie of San Francisco, Calif., A/Ic James of Wichita, Kans., and Clair, and wife and baby daughter, Claire Jean, of Mapleton, Ia., spent the weekend at the R. Called one of the best scoring men in basketball, Norlander turned professional after he was ended, joining the Baltimore Bullets (American Basketball league) in the spring of 1946.

In the fall of 1946 he started a 4 1/2 year playing career with the Washington Capitols in the National Basketball association. While starring with the Caps, Johnny played in 280 consecutive games in 3 1/2 years. A torn ligament ended his remarkable stint.

"Iron Man" John, who knows basketball from all angles, is scheduled to attract a real crowd of basketball coaches, players and court fans when he puts on his show at O'Neill.

Johnny's demonstrations of the latest basketball techniques will be restricted to fundamentals and will not in any way trespass on the individual styles which local basketball coaches teach their squads.

One of the highlights of Norlander's exhibition will be the showing of sound movies of the major championship contests of the past season, bringing the top games of the year to basketball enthusiasts. Shown in these films are the NIT and NCAA finals, the NBA all-star game and title contests, the East-West all-star battle, among others. Included in these films will be those funny, fabulous and phenomenal Harlem Globe Trotters.

No admission of any kind is charged for the Norlander exhibition. Many coaches are planning on bringing their entire squads.

"Coaches, players and fans—they're all invited," Baker said.

To Arlington—Mrs. Bill Beed and daughter are visiting at Arlington with her sister, Mrs. Marvin Flucky, and family.

Regular Sale Every Monday

We feel the sale Monday, November 30, was the best sale we have had since we have taken over the Ewing Livestock Market. It was not the largest sale, but the prices were the best. Our good to choice steer calves brought from 19.40 to 21.50 per hundred. All classes of cattle were higher except cows, which held steady. We could have sold a lot more cattle at very satisfactory prices.

Hogs were in strong demand and sold much higher than a week ago. Let us try your next consignment, and you, too, will join our list of satisfied customers. We appreciate your business.
