## Weekly Market Report

### The Atkinson Livestock Market

Atkinson, Nebraska

The sharp drop in temperature Tuesday didn't slow down the cattle market at Atkinson. All classes sold 50 cents to \$1.00 higher with the most advance shown on the better beef cows.

It was a very active market with a nice string of lightweight Hereford calves topping the sale at \$21.10 cwt. The bulk of the good to choice steer calves sold from \$17.50 to \$19.75. Most of the heifer calves sold from \$14.25 to \$15.50 with some lightweights topping at \$15.70 cwt.

Yearling steers were most scarce, not enough to test the market. Some buyers went home with yearling heifers instead. The better kinds sold from \$14.00 to \$15.90 for the day's top.

The butcher cattle showed the most advance. Canner cows \$7.75 to \$8.75, cutters \$9.00 to \$10.00. Beef cows \$10.00 to \$11.50. The butcher bull market shared the advance, most kinds from \$9.50 to \$12.00 cwt.

Next Auction January 5th. We've had a lot of phone calls requesting information on our consignments for Jan. 5th and 12th sales. If you plan to sell your cattle list them early. We'll try to get the high dollar!
