The 1954 cattle market was away to a flying start Tuesday. We sold 984 head and the quality was the best since fall. Buyers were really picking off the replacement cattle at prices \$1.00 to \$2.00 cwt. better than the last sale in 1953.

Representative Sales

In the yearling class of cattle no load lots were present but the quality of the small bunches was exceptionally good and the demand far exceeded the supply.

Two nice strings of fleshy yearling steers sold for \$19.25 and \$18.55, weighing 710 and 630 respectively.

The bulk of the good to choice fat cows and heiferettes sold in a price range of \$10.00 to \$12.50. Cannors and cutters \$8.00 to \$10.00 with only the extreme shelly kinds under \$7.50. Bologna bulls \$11.00 to \$13.00, fully \$1.25 cwt. better than last Tuesday's sale.
