Notice to Real Estate Owners

• The job of appraising real estate in Holt county has been started by the E. T. Wilkins Appraisal Co., of Lincoln, Nebr. Most of the houses in the towns have been measured on the outside and now the men will start listing the inside of the houses. It will be necessary for the appraisers to see the inside of the houses in order to determine the value of the

· We ask everybody to cooperate with the appraisers by showing them their property and giving them all the information possible. This will help the appraiser to put a fair value on your property.

 This appraisal is to try to equalize the real estate in Holt county, it has nothing to do with personal property. The appraisal is being done by Holt county for the benefit of the people in Holt county. The state has nothing to do with hiring the appraisal company.
