3,800 Attend Two-Day Frontier-Sponsored Auto Show

An estimated 3,800 persons visited The Frontier-sponsored O'Neill auto show held Thursday and Friday in the American Legion auditorium here. Photo (above) provides a part view of the show floor where factory-fresh cars were on exhibit two afternoons and two evenings. Bill Bowker, show manager, estimated a 15 percent increase in attendance over the 1953 show. A "Voice of The Frontier" broadcast from the auditorium highlighted the opening day of the show. Entertainers included Miana White and her piano accordion and Don Hopkins and his

electric guitar. Evans Meier of radio station WJAG's staff, was master-of-ceremonies. Cars displayed were Buick, Cadillac, Chevrolet, Chrysler, DeSoto, Ford, Lincoln, Mercury, Oldsmobile, Pontiac, Plymouth. This was the second annual O'Neill auto show sponsored by The Frontier in cooperation with leading auto dealers in the area. Already plans are being made for another showing next year.—The Frontier Photo by John H. McCarville.

Weekly Market Report
of
The Atkinson Livestock Market
Atkinson, Nebraska
Tuesday, Feb. 9th, Auction
Tuesday's run of cattle was about 20% larger than anticipated — 1542 head were sold. The market was an active one but a little uneven. The steer calves looked fully steady with last week's good market. However, they lacked the extreme top end which we had a week ago. About 21.00 to 22.10 caught most of the large groups of steers while the plainer kinds brought 19.00 to 20.50. The heifer calves looked fully 50 cents cwt. lower, 18.50 was the best price paid on some lightweights but the bulk of them sold between 17.00 and 18.00 cwt.
Yearling steers weren't as plentiful as a week ago—but prices were good—the better kinds 21.00 to 22.00 with a load of light yearlings bringing the latter price. Real good kinds were bringing 19.00 to 20.25, plainer kinds on down to 16.00 cwt. The yearling heifer market was a little slow—15.00 to 16.50 bought the best of the day.
Prices on breeding cows were 10.00 to 15.00 per head lower than a week ago but no large strings of quality cows were offered.
Possibly the best mark up of the day was registered on the canner and cutter cows. They appeared mainly 50 to 75 cents cwt. higher, 9.00 to 10.00 cwt. Beef cows mostly steady, 16.50 to 12.25 cwt. Bologna bulls brought from 10.50 to 11.75.
Next Auction Feb. 16th. It looks like another good sale, weather permitting. Try us with your next consignment—the returns will please you.

Our new Separator washes itself in only 3 minutes!
"You see, we have a new McCormick power washing cream separator. Now, when Dad finishes separating, I don't have to take the separator apart. Instead, I just pour clean water into the supply can.
"In only 3 minutes the separator washes, sterilizes and dries itself. And, it's cleaner and dryer than if I'd scrubbed each disc by hand. So, now with no more hand-scrubbing, I've lots more time for myself."
This is typical of statements made about the new McCormick power washing cream separator by hundreds of farm wives across the country. Come in and see the only cream separator that uses its own power to wash itself sparkling clean!
