# J. F. BRADY COMPANY INVITES

THE FARMERS and ranchers to attend a fertilizer and irrigation meeting to be held in the K.C. hall at Atkinson at 7:30 P.M., Tuesday, February 23. There will be a movie entitled, "The Miracle of Soil." E. M. Brouse from the College of Agriculture, who has charge of the Grassland Research projects, will have some interesting slides and interesting figures on this year's tests of fertilizer on meadow and pasture land. Discussions will be carried on by Neil Dawes, Holt County Agent; W. R. Burgess, representing the Simplot Fertilizer Company; Joe E. Tuning, representing the Spencer Chemical Company; and Hal B. Clark, irrigation engineer representing the A. E. Robison Company, distributors of the Wade Rain line of sprinkler systems. If you have any particular problems, you will be able to discuss them with the speakers.

Improvements and additions to provide our customers with better electric service cost several million dollars each vear!

There are no such things as "profits" in our business! Consumers Public Power District operates on the premise that our state-wide electrical system belongs to the customers we serve! It is our obligation to provide the most efficient, economical electric service possible to adequately serve the needs of our customers.

To that end, your electric dollar, after paying operating costs and bond retirements, goes into making essential additions and improvements to provide you, our customer, with adequate dependable, low-cost electric service!

In the above photos, a new,

modern substation (top) re-

places an old, out-moded

substation that was rapidly

becoming inadequate to serve

constantly increasing elec-

trical requirements. This

project is typical of the im-

provements constantly being

made in many communities

throughout Consumers' state-

wide system.

electricity costs less today than in 1939!
