**NOTICE  
to O'Neill Voters**

AS MOST OF OUR CITIZENS KNOW, no printed names will appear on the ballot when O'Neill voters go to the polls next Tuesday, April 6th, to cast their votes in the annual Municipal Election. This is because no caucuses were held and no petitions were filed within the prescribed time limit.

THE INCUMBENT OFFICE HOLDERS, whose names appear on the sample ballot reproduced below, have consented to accept election and to serve an additional term in their respective offices, provided a sufficient number of write-in votes are accorded them at the polls next Tuesday. In view of these extraordinary circumstances, a large and representative group of O'Neill business and professional people and other civic-minded citizens met Wednesday, March 31, to endorse the incumbents and to order this advertisement so that the people may know the facts.

**Mr. Businessman:**

This Is the Size of a U.S. Postal Card

There are approximately 9 Newspaper Column Inches  
In a Postal Card

At the 2-cent rate it would cost about \$50.00 plus printing and addressing costs to mail a postal card to each of the families reached by The Frontier.

An advertisement this size in The Frontier costs less than \$4.00 or it could be run nearly 13 times for less than the postage alone on the postal cards.

**NEWSPAPER ADVERTISING PAYS:**

- It reaches all classes of buyers
- It's read leisurely at buyer's convenience

**Demand Good on Feeder Pigs**

- For our sale Thursday, April 1, we will have the usual run of fat hogs and, as in the past, the hog market is the best, usually as much or more than the river markets. We will have some feeder pigs and the demand for them is very good.
- To be sold immediately after the hogs will be seven top grade milk cows consigned by Levi Fuller. These cows are top producers, two of them are heavy springers, the other five are milking now. If you are in the market for a good milk cow see these today.
- We are expecting around 600 head of stock cattle, including some choice calves and yearlings. Around 300 Hereford calves including 100 head from the Dewey Schaffer ranch; 25 choice Angus steer calves; also 100 to 150 good to choice yearling steers. All good quality sandhills cattle. If you are in need of stock or feeder cattle this will be an opportunity to get them. This will probably be the largest consignment of quality cattle we will have for some time.
