Equalization Board in Session 2 Days

The Holt county equalization board spent Tuesday and Wednesday in session hearing some complaints on city and town values and studying equalization. But no definite action was taken and no future date was announced concerning when the board would again convene. June 30 is the statutory date for closing equalization hearings.

Chairman Frank Cronk of Page said the board is now concerned with comparisons in property values between Holt and other counties.

One week ago the board decided to abandon the reappraisal values on city and town property set by E. T. Wilkins & As-

sociates of Lincoln, who had been engaged to fix the values on a scientific basis. Time ran out before rural real estate could be reappraised by the firm, obliging Holt officials to abandon the town values until next year.

In May, Miss Mary Louise ("Lu") Birmingham, American Red Cross worker, John Joe Uhl, Allen Martin and Pat Hickey got together for an "O'Neill reunion" in Korea. Miss Birmingham met "Tut" McKee of Atkinson in Hong Kong recently while on leave.
