

Rockets Split with Orchard and Stuart

Both Clubs League Opponents

ORCHARD—The Orchard Independent baseball team, good by a previous defeat at the hands of the O'Neill Rockets, defeated the O'Neill club, 4-2, in a game played last Thursday evening on the Orchard diamond. Van Vleck, winning pitcher, held the Holt county club to six hits. Only two errors were charged against the winners.

Danny Helmer, O'Neill chucker, yielded seven hits and his mates were charged with four errors. O'Neill tallied once in each the fifth and sixth innings, but Orchard turned loose its stick power in the seventh, chasing three scores across the plate. One Orchard score was registered in the eighth.

Both teams are members of the North-Central Nebraska day-and-night league. Boxscore:

The Eagle or the Oyster?

Now comes the season of the year when the Red, White and Blue is horrified in oratory throughout the land. *Platitudes flow.* Washington, Lincoln, Franklin, Patrick Henry, and Jefferson are quoted. For speakers bold enough to break with this tradition, we suggest the examination of a speech written by Merle Thorpe, editor of SERVICE Magazine, for the July issue. Theme—"The Eagle or the Oyster?"

For a people... who elect opportunism rather than opportunity, who dream of security rather than success; who believe political charity is a virtue; who mock the frugal and plunder the thrifty; who adopt the rule that if I don't succeed you are to blame, that what you have is as much mine as yours; who contend that property is a shameful sign of success; who whimper that failure is the nobler cause; well-being is wicked; prudence, out-of-date; sacrifice silly; for such a people a fitting emblem is the Oyster.

For a people... who faced nature in the raw, with privation the rule and hardihood a virtue; who endured defeat, disease and disaster for a hundred years in order to get a foothold on the Eastern Seaboard, the while with one eye on the interior, a no-man's land, a cockpit for settling international rivalries and private grudges, disputed by wild animals and wilder redmen; who sacrificed thus for a belief in the worth and dignity of the individual; who believed that economic freedom was as important as political freedom; who substituted "In God We Trust," for the Old World motto "In Government We Trust"; for a nation built by men who dedicated their lives to achieve the realization of these beliefs, I give you, fellow citizens—the Eagle!
