## Voters and Taxpayers of the First and Third Wards of O'Neill

### Constituting the

First Supervisor District of Holt County

My name will appear on the Primary Ballot August 10, 1954, as a Republican candidate for Supervisor from the First District.

There are two important duties that a Supervisor owes his constituents, which affect the amount of taxes they pay:

First—Vote for the least amount of yearly budget for the county that will insure an efficient administration of the county business. This I will do.

Second—In the equalization of the County Assessor's valuations of all kinds of property each year, advocate and vote for such an equalization and adjustment of them, that the property of each taxpayer will take a fair and reasonable valuation, and the amount of tax he pays will be in proportion to value of his holdings. This I will do.

I believe that the knowledge of valuations here acquired from over 40 years writing insurance, 10 years as local assessor, and eight years as county assessor, qualifies me to determine valuation of property.

I respectfully but earnestly request you to vote August 10 for me as Supervisor from the First District.
